

Coopers Lane Primary School

“All Different, All Equal, All Smiling”

Pupil premium grant expenditure plan 2018/19

ALLOCATION: £198,00 (estimate)

Background

The Pupil Premium is an allocation of funding, in addition to main school funding, which schools receive according to the number of children in specific groups. Schools receive Pupil Premium funding for:

- all children who are eligible for free school meals (FSM)
- all children who have been eligible for free school meals (FSM) at any point in the last 6 years
- all children who have been looked after continuously for more than six months by someone other than their immediate family.

The government awards this funding to help raise attainment for these children. National data shows that as a group, children who have been eligible for FSM at any point in time have consistently lower educational attainment than those who have never been eligible for FSM. A Service Premium has also been introduced for children whose parents are currently serving in the armed forces. This is designed to support the emotional and social well-being of these pupils.

It is up to schools to decide how the Pupil Premium is spent, but this funding should be used to support these children. All schools are required to publish, on their websites, what funding they have received and how the money is being used.

Our aims this year are to:

- Increase attainment so that more pupils are at or above age-related expectations by July 2019.

- Accelerate progress of the most disadvantaged pupils so that the gap between pupils eligible for Pupil Premium and their peers is reduced in all areas compared to Summer 2018. In order to close the gaps, we look at best practice and research. This leads us to conclude that the most effective ways to raise attainment for all and close gaps for the most disadvantaged are through:
- ***Improving the quality of provision across the board***, in particular the quality of teaching in classrooms – we do this by (a) ensuring our staff are well-trained and have adequate time to carry out their roles and (b) ensuring there is good support in each class to rapidly address any underachievement
- ***Carefully considered interventions and activities to target specific needs*** – we do this by (a) having additional teaching and support staff who can put on specific interventions for particular groups and (b) buying into specific initiatives
- ***Increasing enjoyment of and participation in all aspects of school life*** – we do this by subsidising a range of activities such as trips, school journey, breakfast club and after school clubs.

An audit of need and provision has highlighted key areas, which affect many of our children and families, but in particular those eligible for pupil premium grant. This has formed the basis for our spending plan for 2018-19.

| Early Intervention - EYFS & KSI | | | |
|--|-------------|--|---|
| What? | Cost | Objective | Expected Outcome |
| TA (20 hours) | £13,077 | To provide in class, 121 and small group intervention to children in KSI as required | Improved progress and attainment in reading, writing and maths |
| Nursery Nurse (3 days) | £18,181 | To provide 121 and small group intervention as required (data led) across EYFS. | Children are confident in all areas of the curriculum and gaps close in all areas of learning |
| Speech and Language Therapist (1 day) | £13,690 | To screen all pupils in reception to identify early language acquisition + deliver 121 SALT sessions | Early identification of barriers to learning. Programme of work in place to close the gap |
| Nursery Nurse (5 Days) | £25,572 | To provide SALT intervention through Blast and Talk Boost programmes. | Higher % of children meeting and exceeding expectation in reading and writing |

| | | | |
|--|----------------|--|--|
| Total | £70,520 | | |
| Academic Intervention - Year 2-6 | | | |
| What? | Cost | Objective | Expected Outcome |
| Teaching Assistants (15x TA, 4 hours a week) | £40,000 | To provide high quality, structured intervention programmes (drawing & talking, phonics, reading, spelling and maths) along with in-class additional support | Improved attainment in reading, writing and maths |
| Teaching Assistant (4 days, EAL) | £11,000 | To provide EAL intervention to target children with little or no English on admission to CLS. | Improved attainment in reading, writing and maths |
| Teacher (3 days) | £34,000 | To provide high quality teacher intervention to target children in the core subjects - reading, writing and maths (data led). | Improved attainment in reading, writing and maths |
| Teacher (3 days Autumn term) | £8,426 | To provide high quality teacher intervention to target children in the core subjects - reading, writing and maths (data led). | Improved attainment in reading, writing and maths |
| Resources | £2,000 | Purchase of Maths and Phonics intervention boxes, additional project X and Numicon resources. | Improved attainment in reading, writing and maths |
| Total | £95,426 | | |
| Wellbeing Intervention | | | |
| What? | Cost | Objective | Expected Outcome |
| SLT Attendance Lead | £7,500 | To reduce the number of children who have persistent absence | Persistent absence is below the national average |
| Place2Be | £24,000 | To provide 121 counselling service for vulnerable pupils, provide a 'place to talk' for groups of children to discuss issues, to provide a parent counselling service. | Children's confidence and self-esteem is improved, enabling them to cope with difficult life events, establish friendships and focus in class. |
