Dear Mums, Dads and Carers,

Re: Place2Talk

Further to the letter sent on Thursday 4th October, we have made an amendment.

I am writing to let you know about the work we do with Place2Be, a national charity supporting schools to improve the confidence and wellbeing of children and young people.

Place2Be provides emotional and therapeutic support to pupils, families and staff in more than 250 schools nationwide.

Some information is enclosed to tell you more about Place2Be and its work.

Place2Talk

One of the most popular aspects of this service is called 'Place2Talk'. It's open to all pupils, and they can make an appointment to spend 15 minutes with a trained counsellor, either by themselves or with a friend. On average, about a third of pupils in Place2Be's schools take advantage of this service every year. Pupils often talk about friendships or any worries they may have.

If you would like to find out more, please contact Louisa Hodgson (Place2Be School Project Manager) on 020 8851 6754 who will be very happy to answer any questions.

Parental consent for Place2talk

If you would like your child to participate in Place2talk or if you do not want your child to attend Place2talk, please complete the slip below.

Yours sincerely,

Paul Hooper

Information for parents/carers/students on Place2be, what information we collect and why

- Place2be gives pupils a space to express themselves through talking and creative work, and think about any worries they might have. Place2Be also provides support for parents and staff too.
- Place2Be collects the following information from the school: child's name, date of birth, year group, gender and ethnicity. We then record brief details of children's appointments and the matters discussed.
- Place2Be collects information to learn about how to give the best possible service to children and families. Place2Be is interested in finding out how the support we provide helps children's emotional wellbeing and their learning and academic progress. This in turn helps us to secure more funding, and therefore to help more children, by being able to demonstrate that our services are effective. We collect as little personal data as we reasonably can, and store it securely, so that children's privacy is not unduly affected.
- Place2Be also has a responsibility to keep children safe and follow safeguarding procedures as and when required, but otherwise we will never disclose your child's data to third parties without your permission.
- For your information, the Place2Be employee who is responsible for all data we collect is: Nick Herod, CFO (nick.herod@place2be.org.uk).
- We store this data securely for 6 years, and then it is anonymised.
- Your child has a legal right to access their data, ask us to stop processing it, correct any errors in it or delete all data we hold, at any time. Your child (or, where appropriate, you on their behalf) can exercise these rights by contacting Nick Herod. Please also contact him if you have any questions or concerns about our collection of your child's data. If you are not satisfied you can raise concerns with the office of the UK Information Commissioner (www.ico.org.uk).
