

COOPERS LANE SCHOOL

WEEKLY NEWSLETTER

Week Commencing 5th November 2018

Value of the Week: Respect

Right of the Week: Article 15

THIS WEEK OUR RIGHT OF THE WEEK IS ARTICLE 15
Every child has the right to meet with other children and join groups as long as this does not prevent others from enjoying their rights.

THE WEEK AHEAD

Fri 16 th	Children in Need Dotty Disco	9:00 am – 2:15 pm for the whole school

Recommended book of the Week

by Marble Arch Class

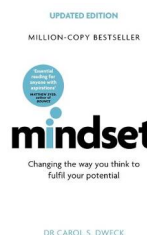

We would like to recommend the series of books called *The World's Worst Children* by David Walliams. These books are stories about different children and the funny antics that they get up to. Like Frankie, who likes eating junk food and throws his vegetables out of the window. However, they land near a radiation tower and grow into killer vegetables who come back to find Frankie; the moral of the story being that you should eat your greens before they eat you!

There are 3 books in the series and they are suitable reads for KS2 children. We love them in Marble Arch and hope you will like them too!

Growth Mindset and Feedback Workshop

Thank you to all the parents and family members who attended one of the Growth Mindset and Feedback workshops this week. It was fantastic to see so many of you at the sessions and I am sure that this will help you to promote a Growth Mindset at home. If you weren't able to attend you can download the presentation from our school website. We will also be repeating the sessions later in the year.

We highly recommend reading 'Mindset' by Carol Dweck. This is a really interesting book and it gives a lot more detail about the research behind Growth Mindset and ideas about how to develop it. For your children, we recommend 'You Are Awesome' by Matthew Syed.

Top Tips

Praise effort over natural ability
"Well done, I can see how hard you have worked on this"
 instead of
"Well done, you are so clever"

Praise the process over the outcome
"Well done, I really like that you have read though your work and improved some of the vocabulary"
 instead of
"Well done, that's an excellent piece of writing"

REMEMBRANCE

This week we have been reflecting on and thinking about Remembrance and what this means to our school and our community. We have had assemblies and work in class relating to this and every child has made a poppy with their name or message of peace on it. We have displayed these on our fence outside school in time for Remembrance Sunday.

Maths Competition

On Wednesday, four children from Year 6 competed in the first round of the National Young Mathematicians Award at the Explore Learning Centre in Bromley. They had four challenges to solve in an hour and were marked on their teamwork, reasoning skills and how they presented their solutions. The children showed all of our school values, especially perseverance and responsibility. Unfortunately they didn't make it through to the next round but we would like to say a huge well done to them for representing our school.

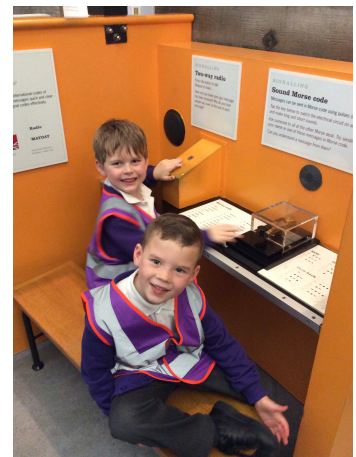

New Zig-zag Timings

Please be aware of the new timings advertised on the parking restriction signs outside school. The ticket officers have been at school this week and you are likely to get a ticket if you park on or stop and open your car door, on the yellow zig-zag lines during these times.

Please park responsibly in order to keep our children safe.

Year 2

Last week, year 2 went to the National Maritime Museum for "We met a Pirate". We had a great time in the nautical themed play area and we got to explore the incredible museum.

ATTENDANCE

Well done to all the classes highlighted in **blue** who are currently at 97% or higher.

CLASS	Year	Weekly %	Overall %
Monument	6	95.67	97.14
Marble Arch	6	98.67	96.28
