

COOPERS LANE SCHOOL WEEKLY NEWSLETTER

Week Commencing 25th February 2019

Value of the Week: Respect

Rights of the Week: Articles 2, 15, 24 & 30

THIS WEEK OUR RIGHTS OF THE WEEK ARE ARTICLES 2, 15, 24 and 30

The Convention applies to children from every religion, ethnicity, gender, language, ability or family background, no matter what they think or say.

Every child has the right to meet with other children and join groups as long as this does not prevent others from enjoying their rights.

Every child has the right to the best possible health and to be provided with good quality health care, clean water, nutritious food, a clean environment and an education on health and well-being. Richer countries must help poorer countries to achieve this.

Every child has the right to learn and use the language, customs and religion of their family.

Recommended Book of the Week By Piccadilly Circus

We have been reading the book
“Supertato” and this is what we think
of it . . .

The Evil Pea lives in the supermarket. He is
very horrible to the vegetables.

Supertato saves the day!

He used his super powers.

Evil Pea goes back to the freezer.

Have a look in your freezer is there an Evil
Pea in there?

We think Mummies and Daddies would
like the story and will love reading it to
their children.

Coopers Lane Boys and Girls Football Teams

Recently, Coopers Lane boys and girls
football teams played again, against
other local primary schools, in the on-
going local primary school league.

We are glad to say, in the last round of
matches, the boys won both of their
games against Good Shepherd 1-0 and Elliot Bank, similarly, 1-0.

The girls on the other hand had mixed fortunes, but did
exceptionally well by winning their first game against Elliot Bank
6-0. Millie Rafique scored 3 goals, Latifia Segda 2 and Lovette
Nwadike scored 1. The second match was more closely fought,
with Coopers Lane losing 1-0 against Gordonbrock Primary
School.

Once again, both the boys' and girls' teams did very well
representing Coopers Lane School.

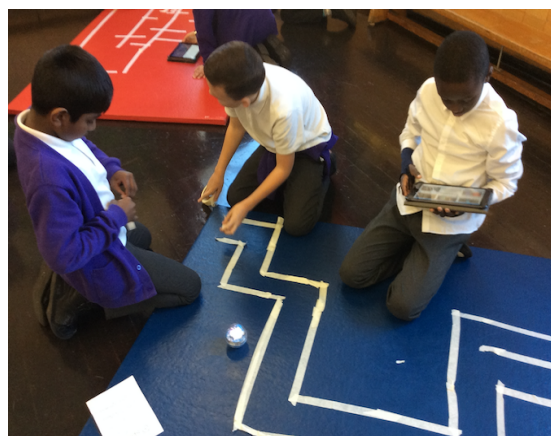

Look out for details regarding forthcoming matches on
Blackheath.

Year 5

Year 5 have embarked on a 6 week Mindfuel programme. We are going to be learning about the brain, the importance of resilience and some mindfulness strategies.

We have also been learning how to code sferos. Our first task was to program it to make a square. After succeeding with this, we then progressed onto our next challenge. Our second task was to map out a maze (using masking tape) and then develop code so the sfero could navigate around it.
