Fri 10 th	Nursery Stay and Read	8:30 am and 12:30 pm for parents and carers in Nursery

Recommended Book of the Week

By Waterloo

Supertato by Sue Hendra

Supertato is a scary book because the evil pea comes and creates lots of trouble. In some parts, it is funny because the evil pea draws on the vegetables' face and wraps them up in toilet paper. You will like this book if you like vegetables and superheroes!

Crisp Bag Recycling

You may be aware that Walkers crisps have launched a recycling programme to reuse old crisp packets. They are shredded to turn them into plastic pellets, which can be transformed into park benches, plant pots, watering cans and cool bags.

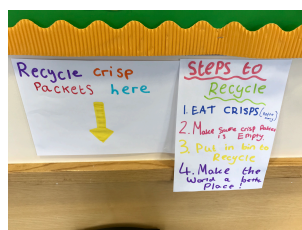

This message is from our Green Team:-

Hello, We're here to tell you about the new green-lidded bins in the lunch hall and in the main office reception area. These are for any empty crisp packets. Crisp packets with old food in cannot be recycled so make sure they are empty. At the end of each day the Green Team members will take it in turns to empty the bins and sort out the packets and they will be collected and taken off to be recycled.

So remember . . .

1. Eat crisps
2. Make sure the packet is empty
3. Put it in the bin to recycle
4. Make the world a better place.

Thank you
from The Green Team

Any brand of crisp packet is accepted, but popcorn bags, crisp tubes, pretzel bags or meat snack bags are not recyclable. Thank you for your participation in this scheme.

Year 1

For our 'Into the Wild' launch day, we dressed up either as an animal, explorer or a child dressed in their traditional costume from different countries around the world. We made paper plate animal masks and handprint animals, as well as exploring different animals and their environments in our animal role-play areas. We tasted a wide variety of exotic fruit from different continents e.g. papaya, pomegranate seeds, mango, pineapple, figs, passion fruit... They were very tasty! We also learnt a song about children around the world. We had lots of fun on our launch day!

Year 6

Year 6 enjoyed their launch day for their new topic, 'The Kingdom of Benin'. We learnt about a Benin creation story and then made clay 'bas relief' tiles, depicting events in the story. Finally we used 'Chatterpix' on the iPads to photograph our tiles and animate them, retelling the story in our own voices.

ATTENDANCE

Well done to all the classes highlighted in **blue** who are currently at 97% or higher.

CLASS	Year	Weekly %	Overall %
Monument	6	97.33	95.53
Marble Arch	6	96	96.9
