We've had a busy first full week back, with many year groups having their topic launch days. The children have all enjoyed dressing up, trying new foods and learning about their topic for this term.

#### Year 1

On our Year One Launch Day, we celebrated all our different families - we made lolly stick houses with our families inside, a family tree complete with portraits of our families, decorated gingerbread men and made playdough faces.

We also discussed different occupations, especially people who help us in the community and talked about what we would like to be when we grow up.

## Year 4

This week year 4 officially launched their topic, Veni Vidi Vici! We enjoyed dressing up in our Roman gear and tasting authentic Roman food. After our feast we split into groups of girls and boys and took part in a boot camp and weaving just like boys and girls would have done in Ancient Rome. We've had the best day!

## Year 5

Year 5 launched our amazing Fabulous Pharaohs topic this week. We started off by sharing all of the stunning costumes we wore - we really did look fabulous! We then learned all about the gruesome mummification process. We wrote instructions for how to mummify a dead body and then had a go ourselves (using tomatoes!). We scooped out the insides and packed them with salt: they are dehydrating in our classrooms for the next 40 days! Then we worked in teams, creating pyramids from toothpicks and blu tack. Next some of us became mummies ourselves as we wrapped each other in loo roll! We finished off the day by creating our own sunset, silhouette art.
