## Year 4

This week Knightsbridge class went on a trip to the Crofton Roman Villa in Orpington. When we arrived we saw the remains of a real life Roman villa from 2,000 years ago. We were amazed that they had the technology to heat their homes but slept on the floor! We also learnt that they used to paint their walls instead of having boring grey walls to look at. We also took part in some fascinating activities such as mosaic making and brass rubbing.

## Year 6

As part of our project on World War II, Year 6 visited Chislehurst Caves this week. During the war, the caves were used as an air raid shelter. Soon they became an underground city rising to some 15,000 inhabitants (who each paid a penny to enter). The tunnels were fitted with electric lighting, toilets, washing facilities, a chapel and also a hospital.
