Dear Mums, Dads and Carers,

## Re: Rocksteady Music

Coopers Lane have an exciting opportunity for any budding young musicians!

We have teamed up with Rocksteady Music School ([www.rocksteadymusicschool.com](http://www.rocksteadymusicschool.com)) to provide guitar, bass guitar, keyboard, drums and vocal lessons. These lessons will be taught in groups in afternoon sessions. The children create a small band together, play the songs they love and receive instrument tuition whilst having fun!

On **Tuesday 26<sup>th</sup> June**, Rocksteady all be coming into school to deliver workshops with the children and following these workshops they will receive a letter with details on how to sign up.

After school, on the same day, the company will be providing a **free parent workshop** so parents can see what Rocksteady is all about. To attend this please go through the office after collecting your child and through to the key stage 2 hall for the workshop to start at **3:35 pm**.

This is a really fantastic opportunity for the children as they will not only get music tuition but they will be gaining valuable social skills, grow in confidence and have a great time! Research shows that learning music has an extraordinary impact on the brain, resulting in higher levels of concentration in children and also more progress in their academic achievement.

If you would like your child to start Rocksteady in September please look out for the letter that will be given out on the 26th June and please come and attend the parent workshop after school on the 26th to see what it's all about.

Please note: All queries and admin goes through the Rocksteady company and not our own school office. Please have a look at their website for more information or any queries.

Kind regards,

Rhian Powell
