Dear Mums, Dads and Carers

As you know, the government has announced plans for some children to start to return to school from Monday 1st June (at the earliest). This date is not yet confirmed and the government will make further announcements. We know you will have questions about when your children will be able to return to school and we are really looking forward to welcoming children and families back. We are asking you to give us time to work on our plans for this, to make sure arrangements are in place so that all children and adults can be as safe as possible while they are here. We will only begin the phased return to school when we are ready to do so.

In the meantime, only children of critical workers and those identified as vulnerable can come in to school with the agreement of the head teacher. If you think your child can be in school, please contact info@cooperslane.lewisham.sch.uk

Once the date for schools re-opening is confirmed, we will contact families individually to let you know when your child can come in. This is unlikely to be at the same time for all children, even in the same year group. Children should only return to school when they have received a start date from us and not before.

We will tell you more as soon as we can.

Thank you for your support.

Kind regards

Paul Hooper
