Head Teacher: Mr Paul Hooper

1st September 2020

Dear Parents and Carers,

I hope you have all had a lovely summer break and are looking forward to the children returning to school later this week.

To help you prepare for this, we have created a parent/carer handbook that has all of the information you need. Please take time to read through this document.

You can also watch a short video from Mr Hooper with some key bits of information, particularly about drop off and pick up:

<https://vimeo.com/453685653>

Please remember to arrive at school at the time given for your child's year group. It's very important that you arrive on time as it will impact on everyone else if you arrive early or late. The staggered times were sent out to you in July, but are also in the handbook.

It's also important to remember to send a water bottle in with your child, so they can fill this through the day. Our water fountains are not in use, so it is very important that the children have a water bottle in school at all times.

One change to the guidance we sent out in July is that children need to come into school already in their PE kits on their PE day. They will then stay in their PE kit for the day. PE days are detailed on the newsletter that was sent in July and can also be found on the year group pages of the website.

The final document you may wish to view is the full risk assessment that has been completed to ensure the safe opening of the school. This is also on the website and can be accessed here:

<http://www.cooperslane.lewisham.sch.uk/updated-september-2020-guidance/>

I look forward to seeing you all on Thursday for the first day of term.

If you have any queries please contact the school office:
