

# Year 1 Autumn 2

## Christmas

An exciting time of year in school for everyone!  
Children will put on an amazing show for us all to enjoy. They will learn choreographed dances and new songs.

There will be opportunities for arts and crafts and even some baking!

## Let's Learn Together

Watch 'Seven World's, One Planet' together

Go to a farm or visit the Horniman Museum

## Geography

Children will begin to explore the wider world. Looking at the difference between sea and land, continents and what they're like. They will also look at hot and cold places across the world.

- Mapping
- Human & Physical Features

## RE

Children are introduced to Christianity. They'll identify Christian's beliefs, celebrations and look at their special book.

- The Bible
- Jesus
- Christmas

## Music

Children will develop their understanding of pitch through movement, voice and instruments, identifying contrasts of high and low pitch.

- Animals
- Weather
- Christmas

## PSHE

Children will begin to think about who is special to them and why. They'll look at why family are important and different types of families. They will learn who they can talk to if they are worried or unhappy.

## Science

Children will build on their knowledge of humans by identifying different types of animals. They will describe and compare different common animals. They will continue to visit Forest School and look at seasonal changes.

- Common animals
- Seasons & Weather

## PE

Children will begin to move with control, linking actions and shapes together whilst travelling along benches. With our PE Coach, they will become Basketball

Pros, improving the way they coordinate and control their bodies and the range of equipment.

- Gymnastics
- Basketball

## Computing

Children will become TV Chefs using video recording software and team work to create a simple cookery show.

- Use different features of a video camera
- Develop collaboration skills

## Art

Children will explore colour and printing and why it is especially important to African culture. They will design and develop bold multi coloured prints to make their own Kente cloth.
