

Year 5 Autumn 1

1 NO
POVERTY

'End poverty in all its forms everywhere.'

Children will work towards
Sustainable Development
Goal 1
throughout this year.

Let's Learn Together

Become an adventurer. Take a look at the National Heritage '50 things to do before you're 11 3/4'

RE

Children will consolidate and expand their knowledge of Sikhism. They will look at what it is like to belong to the Sikh community.

- Guru Gobind Singh
- Belonging to the community

Geography

Children will become explorers of the world. They'll look at mountains and rivers around the globe, following a river's journey. Linking to science, they will understand more about the water cycle.

- Mapping
- Mountains & rivers
- Landform
- Water cycle

Music

Children will be given opportunities to compose and perform music inspired by our local community, past and present.

- Our Community

PSHE

Children will develop respect and recognise similarities and differences between people by finding out what makes up identity. They'll look at the range of factors that contribute to this. They'll learn about individuality and personal qualities, and also about stereotyping and how to challenge it.

Science

Children will build on their knowledge of properties of materials and changes of state. They'll compare and group materials according to their properties and response to magnets. They'll investigate dissolving and recovery.

- Properties of materials
- Solids, liquids & gases
- Dissolving to form solutions & recovery

Computing

Children will become game developers planning their own simple computer game. They'll design characters and backgrounds, and create a working prototype.

- Create artwork & sound
- Design & create a game using sequence, selection, repetition & variables

Art

Children will explore portraits looking at Frida Kahlo artwork. Their sketches will communicate emotion and a sense of accuracy when producing their own self portrait.
