Twitter: @CoopersLaneSch

Hello Coopers Lane Family & Friends!

We hope you have all had a good week and that you and your families are safe and well.

A special thank you and well done this week to the children and families from year 4, who have adapted so well to learning at home. We look forward to having you back in school very soon.
Have a lovely weekend.

This week the Articles of the Week have been Articles 32 and 35.
Protection from Harmful Work & Prevention of Abduction, Sale and Trafficking

SCHOOL		96.47	96.68

Books2Africa

Thanks to everyone who donated books this week. Books2Africa is a UK charity that collects and sends donated books to increase the quality of education in Africa by helping individuals and communities to access, read, and enjoy books.

Remote Learning for Year 4

Our Year 4 bubble are isolating at home at the moment, but have been very busy. The teachers are greeting them every day on google classroom and providing lots of interesting lessons online. Well done Year 4 for showing such great responsibility and adapting so well to remote learning.

Dear Diary

You will never believe what happened today! I woke up feeling a little grumpy because the neighbours were making too much noise AGAIN and didn't get much sleep!!!

On a positive note, this morning I got to level up on my favourite video game and I am in the top 3!!!! YAY!!!!!! How cool is that???? When mum FINALLY got home earlier on today I was very surprised with the unusual present she got me. I now have a puppy! At first I found him annoying because he kept disturbing me whilst I was playing my game.

He is a very playful puppy and enjoys playing fetch in the garden with me.

I love my new pup and he loves me.

Speak to you soon

Adil

Free School Meals

Our food hampers are ready to be delivered to families who are entitled to free school meals in Year 4. If you want to check if you are entitled to free school meals please contact Kerry in the office.

It's really important that you are registered, so you receive a food hamper if your child needs to isolate and to receive supermarket vouchers over the

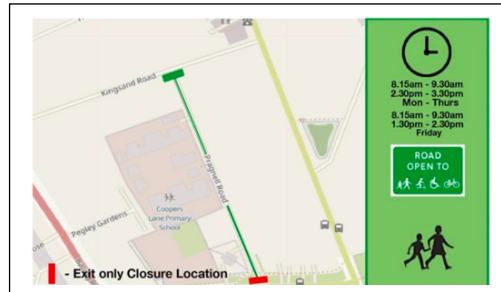

Christmas holiday

School Street

Good news arrived this week - Pragnell Road is to become a school street from January 2021. This will make the journey to and from school much safer and hopefully encourage even more families to walk, scoot or cycle. Detailed information about the road closure has been emailed to all parents and carers. You can also find it on our website.

CONGRATULATIONS COOPERS LANE!
THIS WEEK YOU'VE DONE A
MIND BLOWING

1418.82 MILES!

That means in the last three weeks you've cycled, scooted, run & walked a total of 3022.84 miles - we've made it to the North Pole!
We're on our way home now.
Can you get us back to school by 13th December?!

Don't forget - thanks to our generous sponsors there are some amazing prizes to be won for the classes and individuals that go the furthest!

On the way we've passed icebergs, Arctic Foxes, and Polar Bears!

So far you've raised
£1115
in support of the school

Please keep sharing our GoFund Me page!
<https://gfm.me/u/y6muty>

THANK YOU!

We've got 2305.16 miles left to get back home

Wow!

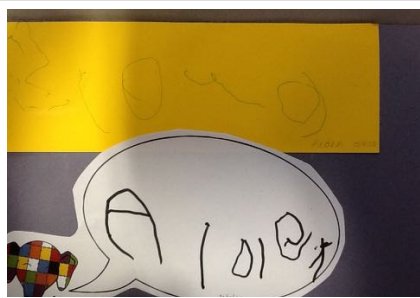

We've made it to the North Pole already!

It's absolutely incredible that in just 3 weeks we have walked, scooted or cycled 3022 miles. So now the challenge continues; let's get back home again by continuing to keep active.

How exciting to think we might make it to the North Pole AND back again!

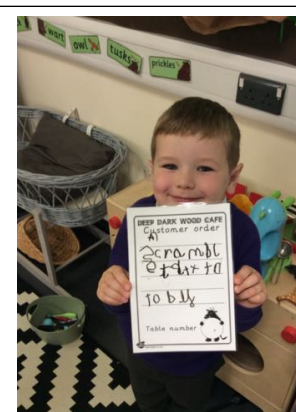

Remember to ask friends and family to sponsor you too.

NURSERY

This week in the Nursery we have been mark-making mad! We created a patchwork coat with our names on, for Elmer and wrote our names in speech bubbles for him to say. Can you see the progress we have made since September when we first wrote our names? We have also started to make some Christmas decorations. Can you guess what we are making?

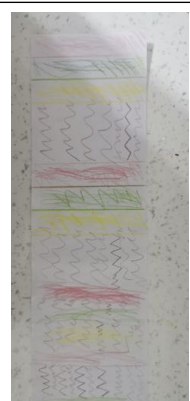

RECEPTION

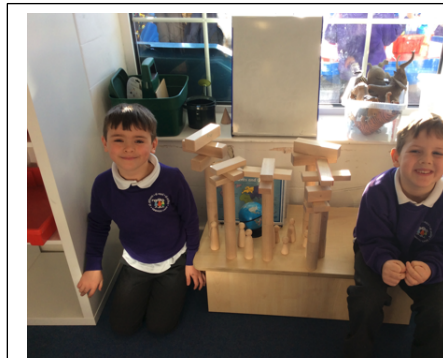

Reception have been hosting a Gruffalo Café. Can you guess what was on the menu? We've also been enjoying our outdoor area, making sure we're wrapped up warmly.

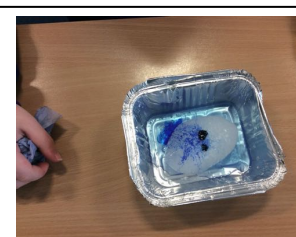

YEAR 1

In year 1 we have been learning about the continent of Africa. The children have been building the landmarks of Africa in the Blocks area. Here you can see Joseph and Harrison's representation of the 'Avenue of the Baobabs'. In Art, we have been learning about Kente cloth, traditionally worn by royalty in Ghana. Ollie and Lacey have designed their own Kente inspired repeating patterns.

YEAR 2

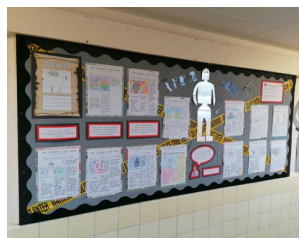

In Science we were looking at three states of matter- solid, liquid and gas. We observed an ice balloon - solid - we touched it and poured salt on it, which produced water - liquid. We are going to observe it for a few days to hopefully discover evaporation - gas.

In RE we are learning about Islam and the celebration with the birth of a Muslim child. We learnt about the "Call for Prayer" which is a blessing said in both the ears of the newborn baby.

YEAR 3

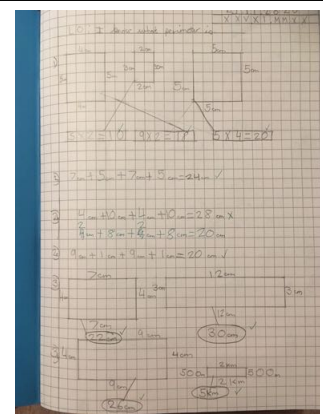

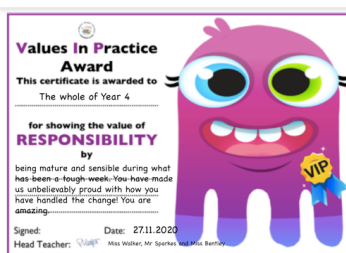

Year 3 have finished writing their newspaper reports about Iron Man's invasion of Coopers Lane Primary School! We feel really proud of our work going on display. We have also started learning about magnets in science and investigated which materials are magnetic. We can't wait to learn more about magnets!

YEAR 4

Year 4 have made their teachers very proud this week, by being mature and sensible during a challenging time. They are continuing to work so hard at home on Google Classroom and have produced some amazing work.

Having fun is a must at all times
Over the clouds we zoom
Luggage must be packed and ready for takeoff
I love going on a plane
Departure is exciting
Activities are endless
You must have your seatbelt on
Scorching hot sun in the sky

YEAR 5

In Year 5 this week we learned all about the discovery of Tutankhamun's tombs and found out about the importance of the Rosetta stone. In Art we really enjoyed continuing our work on our clay tiles and had fun painting them. In RE we have been learning about Christianity. We had a Zoom meeting with Father Gavin (from St Augustines church) and got to ask him lots of questions about leading a Christian life.

YEAR 6

This week, in Year 6, inspired by the 'Dig for Victory' campaign propaganda during WW2, we created our very own vegetable superhero. We will use our characters to create our own persuasive propaganda posters next week.
