18th November 2020

Dear Parents and Carers,

Re: Books 2 Africa

We are asking all our families to have a look around the home to find any reading books that your child/ren no longer use (in good condition) to donate to Books2Africa.

Books2Africa is a UK charity that collects and sends donated books to increase the quality of education in Africa by helping individuals and communities to access, read, and enjoy books, and to extend the life and impact of books by decreasing book waste and increasing book 'readcycling'. This fantastic charity sends over 1 million books annually and by joining their Book Club we can help with this. You can find more information about this charity following the link below.

<https://books2africa.org/>

This is also an opportunity for us to explore global issues and look at the importance of literacy and the challenges some children face around the world. It is part of our continuing work to help achieve the UNICEF Sustainable Development Goals: SDG 4 Quality Education.

We will be collecting your book donations on **Monday 23rd November 2020**. There will be plastic containers by the school gates at drop off and collection times, **please do not bring in books before this date**. Thank you in advance for your support.

Kind regards,

Paul Hooper
Head Teacher
