### Hello Coopers Lane Family & Friends!

We made it... half term is here! Well done everyone for your hard work and enthusiasm for remote learning over the past six weeks. Children, Parents and School Staff alike; you should all feel really proud of everything you have achieved this half term.

SNOW has been the key word this week and haven't you all been having fun! Thank you for the lovely photos you sent in showing how you've been making the most of it, getting outside and enjoying yourselves. We had so many that we decided to put them all together in a special 'Fun In The Snow' film:

<https://vimeo.com/511553027/21c6de40ca>

*We hope you all enjoy a well deserved break next week and that you have fun together with your families. Stay safe and keep smiling x*

### World Book Day

**Thursday 4<sup>th</sup> March**

It's one of our favourite days of the year -  
**World Book Day!**

Here's how we will be celebrating reading for WBD this year:

- Children can bring in an artifact or prop from a favourite book or come dressed as their favourite book character to our Class Connection zoom or into school on the Thursday 4<sup>th</sup> March.
- We would love the children to send their teachers a picture of them reading in the most unusual space they can find.
- Our daily Class Connections will focus on reading, sharing our favourite stories, books, authors, illustrators and more.

*Please see emailed letter or school website for more details*

### ART EXHIBITION

We have entered Coopers Lane School for:

**The Royal Academy of Arts Young Artists' Summer Show.**

It is a free, open submission exhibition for students aged 5 - 19. Artworks are judged by artists and arts professionals with selected artworks displayed online and on-site at the

**Royal Academy of Arts.**

We would love as many Coopers Lane artists to enter as possible, so if you would like to start thinking about creating a piece of art to enter over half term then feel free!

If you have been watching Mrs Webb's art videos and creating art at home already and you would like to keep working on that project, we can enter that too. We have until April to submit artwork so you have time to think about what you would like to create. We can submit up to 3 artworks per student and will hopefully get a chance to create some more together when we are back in school. For each artwork submission we will need a jpeg image/s of the artwork along with details including a title, medium and a short description. Please send your art work to Mrs Webb: [bwebb@cooperslane.org](mailto:bwebb@cooperslane.org)  
If you would like to take a look at last year's exhibition, have a look online <https://youngartists.royalacademy.org.uk/>

## NURSERY

This week in Nursery we are looking at how some people celebrate Chinese/Lunar New Year. We also enjoyed playing in the snow. Naga made a paper chain dragon and she attempted to copy some Chinese Numerals too.

## RECEPTION

Reception were very excited to get out in the snow and even managed to build a miniature snowman! Remi also shared these lovely pictures of his ice cream parlour at home!

## YEAR 1

Year 1 really enjoyed playing in the snow this week, even Ms White made a snow angel!

## YEAR 2

We have had a very fun, creative week in Year 2! We created our own diorama habitats for an animal and sent in videos describing them using lots of different adjectives! Which animals can you spot?!

We also created a 'frame' for our face and thought about what makes us unique!

## YEAR 3

All the adults are so proud of Year 3 showing a growth mindset during their creation of their 'Most Magnificent Thing' - they are incredible! In science, we have learnt about solar eclipses and created some beautiful artwork using chalk. Well done to you all!

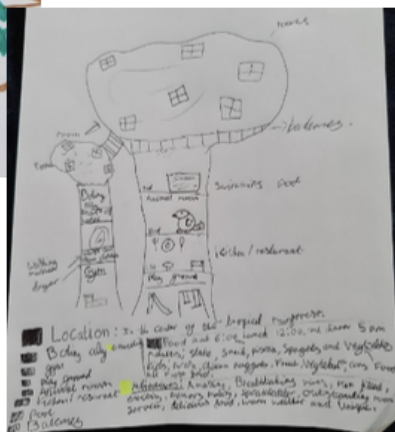

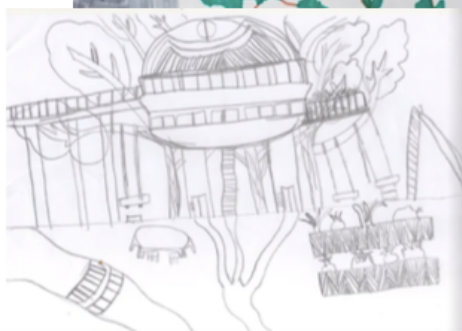

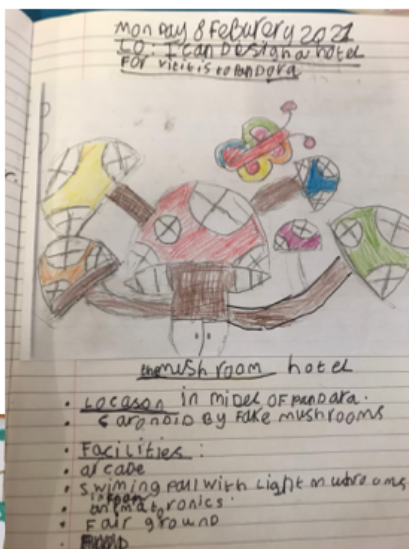

## YEAR 4

This week in Year 4 we designed, created and evaluated (tasted) pizzas as part of our DT cooking lesson

## YEAR 5

In year 5, we have been writing to persuade this term and our last task was to persuade tourists to travel to the amazing planet of Pandora. We designed our own hotels with amazing facilities and wrote about them using a range of persuasive techniques.

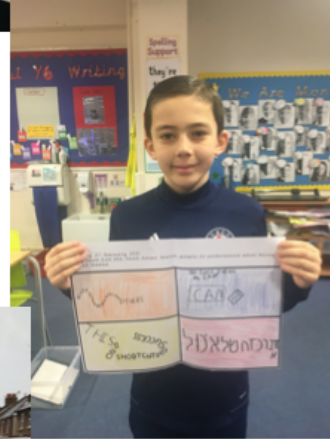

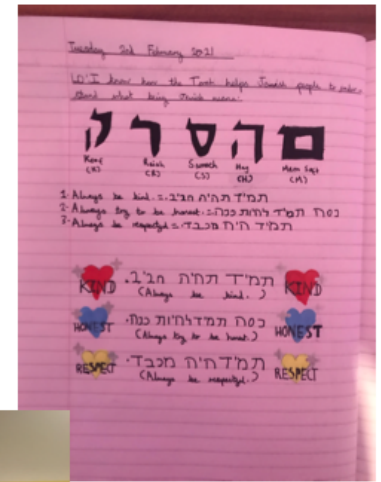

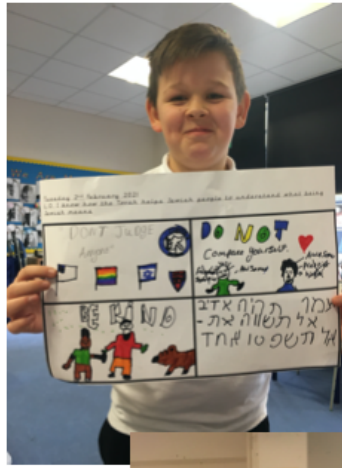

In Year 5 we have also been enjoying reading Alex Rider Stormbreaker and creating comic strips – here is Herbie's. We have also really enjoyed Mrs Webb's Art lessons and here is a beautiful example from Alma.

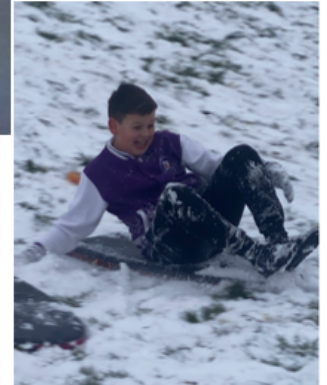

## YEAR 6

This term, the children in year six have been learning about Judaism. This week we looked at the Jewish holy books, including the Torah. We learnt that Jews use the teachings of the Jewish holy books to guide them throughout their lives and from this we thought of the top three rules that we would like to live our lives by. We then used Google translate to translate one of our rules into Hebrew and we loved the results!

We also had fun in the snow!

## COOPERS LANE RADIO

Join DJ Moley Mole every Friday at 2:30pm for 30 fabulous minutes of music to make you move. You can even request your favourite song! All the info. you need is on Google Classroom. LET'S DANCE!

"Nothing beats kindness," said the horse. "It sits quietly beyond all things."

# HOME LEARNING
