Twitter: @CoopersLaneSch

## **Hello Coopers Lane Family & Friends!**

What wonderful news this week, the school will reopen to all children on Monday 8<sup>th</sup> March. This is just the boost we all needed and gives us hope for brighter days ahead. The staff are all very excited about welcoming you all back to school on the 8<sup>th</sup> March.

We will continue to provide remote learning via Google Classroom next week, so please keep up the amazing work you are doing at home.

# Say Hello to our New Parent Governor

We are pleased to announce that Donna Ford has been voted as the new parent governor at Coopers Lane. Thank you to everyone who voted and to all of the other candidates who put themselves forward. We had a total of 253 votes in the election. Donna will be an excellent addition to the governing board.

"Every day when I walk my two sons to school, I am so grateful for the warm, caring and enthusiastic environment they are learning in every day."

Donna Ford

# **Upcoming Events**

## World Book Day 4th March

- Class connections will focus on our favourite books
- Children are welcome to dress in character for their class connection or simply bring along their favourite book to share
- Children can also wear their costume in school on Friday 12<sup>th</sup> if they want to

#### **Comic Relief Friday 19th March**

- This year's theme is Superheros
- There will be fun activities in school during the day
- We will be collecting change on the gate
- Children are welcome to wear a superhero costume/mask

## **Parents / Carers Evening**

Monday 29th and Tuesday 30th March

**Inset Day** Wednesday 31<sup>st</sup> March

# **Remote Learning Survey**

We are always interested to know how we can improve what we do for the children.

As we come to the end of this period of remote learning, please take a few minutes to give us your feedback. This will help us to improve things for the future:

# Plans for Monday 8th March

You will find all the information you need concerning the school reopening to all pupils on the Covid page of the school website. This includes the revised drop-off and pick-up arrangements:

 $\underline{https://www.cooperslane.lewisham.sch.uk/covid-19/updates-guidance/}$ 

#### NURSERY

This week the nursery children read 'We're Going on a Bear Hunt' by Michael Rosen. We had lots of fun retelling the story in our small world area. We also had our very own bear cave in our classroom and practised using prepositions such as 'on top of', 'next to', and 'inside', to describe the position of our own bear.

#### RECEPTION

The children have been learning their numbers bonds to ten using a ten frame and pegs.

The children have also LOVED our topic of Dinosaurs and have been busy making their own

salt dough Dinosaur bones

#### YEAR 1

In Year 1 we have started to read Dragon Post. The children designed their own dragons and thought about what superpowers they might have. Then they used exciting adjectives to describe their dragons.

#### YEAR 2

In English lessons, Year 2 have been learning about the life of a chicken and finding out about the chicken cycle. As part of our writing, the children researched some interesting facts about chickens and used sentence starters to write high quality sentences.

Did you know chickens can dream like humans?

Old you know hot co chops do alltho dance to know the prosests and little dance to know that and affect that he had all the constant that and all the constant that and all constant the constant and const

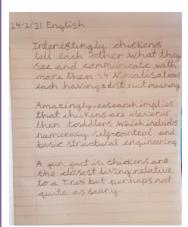

Did you know thickens are descended from dinosaurs as they have similar soft tissue to Trais leg?

A multinally thickens can be hypnotised but only for upto thirty seconds.

I ntere stingly the largest, recorded thicken egg weighed 12 ourses but only contained.

2 yolks. That record was 9 in one egg.

#### YEAR 2 continued

C'Jai has been persevering this week with Mrs L to tie his shoelaces! We are SO proud of you C'Jai. You have had such a growth mindset!

Logan has been taking responsibility this week by watering the new tree that has been planted on Pragnell

#### YEAR 3

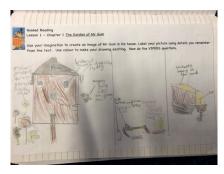

Year 3 have enjoyed starting their new science topic this week: Animals including Humans. They designed a flip book to show the differences between carnivores, omnivores and herbivores. In English, we designed our very own 'horrible teacher' based on Miss Trunchbull from Matilda - the teachers are terrifying!

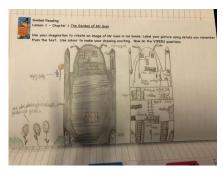

#### YEAR 4

In year 4, Guided reading has been a riot! We have begun reading 'You're a Bad Man Mr Gum!'
The children have thoroughly enjoyed the first two chapters, by making inferences, creating drawings and finding particularly imaginative vocabulary. We have explored how funny the story is and laughed out loud at some of the things that have happened to Mr Gum. Here are some of the first impressions of the story:

## YEAR 5

On Wednesday Bubble 5 started the online Art project Talk about Art in the Environment and had great fun with Mrs Webb and Simon the artist who lead the session. We learned about Christo and Jeanne-Claude who wrapped different objects in material to look more closely at the shape of an object and also make art in the environment - like this example where they dropped a massive curtain across the road! In the session we had 60 seconds to find our own object and then we drew them. Here is Alma's rabbit.

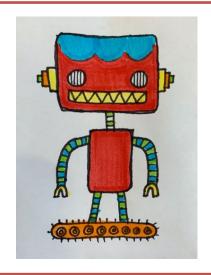

## **YEAR 5 continued**

In their Class Connections,
Year 5 have been 'Drawing
with Rob'. The author and
illustrator, Rob Biddulph, has
some fantastic videos to
show you how to draw really
amazing artwork. We learnt
how to draw a robot and then
decorated it with our own
designs.

### YEAR 6

This week, year six decided to belatedly celebrate pancake day!
The children in school had great fun making
American pancakes and crepes and trying them with different toppings. The best bit was definitely flipping the pancakes, and we are pleased to say that most of them ended up back in the pan!
