	<p>classroom/office, including, but not limited to, when entering and leaving the building, in the staff room except for when eating, at the office hatch, in the resources room and at drop off and pick up times.</p> <ul style="list-style-type: none"> School adults to wear face coverings when they are unable to maintain a 2m distance from other adults 				
<p>2. <u>Contracting Corona Virus</u> How: Staff being exposed to the virus due to lack of social distancing and coming into contact with the virus from contractors / visitors and delivery persons (packages)</p>	<ul style="list-style-type: none"> See <u>Contractors Guidance</u> – a procedure is in place if a contractor needs to attend site to carry out essential works. Packages are left unopened for a minimum of 24 hours and stored in the foyer area of the office Staff have access to PPE to open the packages and empty the contents. Sanitiser is available for all staff 	H	<ul style="list-style-type: none"> Deliveries drivers not permitted to enter the school building and items should be dropped stored in the foyer area of the office Cleaning regime in place of all common parts and reception area. Protective screen installed at the Reception area. Staff not permitted to order personal items to be delivered to the school until further notice. Visitors guidance sent to all persons that have booked and appointment to visit the school. Visitors guidance issued by Reception staff to visitors that come to the school without an appointment. <p>See <u>Updated Contractors RA</u> See <u>Visitors Guidance</u></p>	Sept 2020	H
<p>3. <u>Contracting Corona Virus</u> How: Staff / Pupils (within the “bubble” being exposed to the virus due to lack of social distancing from children / adults and coming into contact with</p>	<ul style="list-style-type: none"> Staff to encourage pupils to wash their hands regularly – particularly before and after breaks. Staff will supervise and assist pupils washing their hands to ensure it is effective. Staff to ensure there are tissues available for pupils and that they 	H	<ul style="list-style-type: none"> New “Bubbles” groups have been determined by the Head Teacher taking factors such as numbers / staff available / resources / timetables / rota’s / SEN pupils etc. New toilet cleaning regime implemented as guidance now changed to allow “bubble” groups to share facilities. Premises staff to increase the times they empty bins within the “bubbles” – twice a day 	Sept 2020	H

<p>the virus after an infected pupil / adult has touched a surface or displays symptoms of the virus. Poor respiratory practices.</p>	<p>dispose of them immediately and wash their hands.</p> <ul style="list-style-type: none"> ▪ School staff have access to handwashing facilities and antibacterial hand sanitiser. ▪ Staff reminded of the importance to maintain a robust hand washing / sanitising regime. ▪ Premises and classroom staff to regularly clean and sanitise contact points – particularly surfaces, door handles, light switches etc and toilets and update checklist. ▪ Staff instructed not to face a pupil when working with them – to stand above them where possible or to their side. ▪ Staff instructed to wash their hands immediately after sharing resources with pupils. ▪ Pupils encouraged by staff not to touch their faces by school staff and organise awareness sessions (age appropriate) ▪ Most soft furnishings and toys removed from the classroom as they cannot be suitably sanitised. ▪ School staff working across bubbles to wear a face shield at all times ▪ School adults to wear face coverings at all times when outside their classroom/office, including, but not limited to, when entering and leaving the building, in the staff room except for when eating, at the office hatch, in the resources room and at drop off and pick up times. 		<ul style="list-style-type: none"> ▪ Updated procedure in place for any pupil displaying symptoms of the virus - See <u>Pupil with suspected Corona Virus Procedure</u> ▪ Classrooms (other than EYFS and Y1) have their desks arranged to be forward facing (where possible) and excess furniture removed to free up space, to enhance social distancing space. ▪ Intervention group spaces will be where possible used by pupils within the bubble only. ▪ The areas will be well ventilated, and sizes restricted to ensure space to social distance. ▪ Resources within the “bubble” will be cleaned and sanitised frequently. ▪ All equipment shared with other “bubbles” such as science / art / sports will be cleaned and sanitised after use or rotated and left unused (and out of reach) for a period of 72 hours. ▪ Any resources / books taken home by pupils will be either cleaned and sanitised or stored (and out of reach) for 72 hours on return. ▪ Pupils to bring in their own water bottles and refill them from the taps in the classroom ▪ Years 2-6 will be issued with their own stationery packs. ▪ Individual Music lessons; <ul style="list-style-type: none"> * piano lessons to be conducted on a 1:1 basis following social distancing guidelines (see Music RA) * violin and drumming lessons conducted in small groups with children from the same year group bubble. Social distancing guidelines to be followed (see Music RA) * No RockSteady at the moment ▪ Where appropriate EYFS resources washed at the end of each day in a sterilising solution and left to dry. 		
---	---	--	---	--	--

	<ul style="list-style-type: none"> School adults to wear face coverings when they are unable to maintain a 2m distance from other adults 				
<p>4. Contracting Corona Virus</p> <p>How: Children being exposed to the virus due to lack of social distancing from other children / staff (OUTSIDE THEIR BUBBLE) or touching a surface/resource where the virus is present</p>	<ul style="list-style-type: none"> Staggered breaks and lunch time rota in place. Drop off / pick up procedure in place. (See above). Outside play / lessons planned where possible – see rota. Staff to supervise children travelling to and from the toilets to ensure they do not come in contact with children from another “bubble” Staff to only allow two children at a time to go to the toilet, no bands required. 	H	<ul style="list-style-type: none"> Premises staff to increase the cleaning regime – particularly surfaces, door handles and toilets / taps as guidance now allows “bubbles” to share toilets – see “Bubble” checklist. Premises Manager to ensure there are adequate numbers of cleaning staff available during the school day to complete the enhanced regime. Updated procedure for a Pupil that displays symptoms of the virus in place. Pupils attending breakfast and after school clubs will be kept in their year group bubbles where possible. All resources shared with “bubbles” are cleaned at the end of the session or taken out of use for a minimum of 72 hours. If Intervention group spaces are used by different bubbles – they will be sanitised between use and resources removed and stored for 72 hours. The group intervention spaces will be well ventilated, and sizes restricted to ensure space to social distance. Staff moving between “bubbles” to have their own sets of pens etc Whole school assemblies cancelled. Consideration given to “bubble” assemblies and use of Zoom for virtual assemblies. A list will be maintained by the office detailing any pupils leaving or joining other “bubbles” during the school day (breakfast / afterschool / music / New route(s) to the class has been implemented to reduce the risk of bubble groups coming into contact with each other. 	Sept 2020	H

			<ul style="list-style-type: none"> ▪ Head Teacher / SLT to organise the new “Bubble” groups (Sept 20) to try and ensure the school staff and pupils are consistent within the bubbles and not change where possible. ▪ New rota’s in place for staggered breaks / lunch and outside play – Sept 20. ▪ Staff reminded during induction session that if they have to move between groups / bubbles they should maintain an appropriate distance from pupils and other staff and ensure good hand hygiene. 		
<p>5. Contracting Corona Virus How: Staff contracting the virus due to lack of social distancing on the way to work and in work. Coming into contact with the virus on contaminated surfaces and equipment.</p>	<ul style="list-style-type: none"> ▪ Two staff rooms in place. ▪ Signage displayed in the staffroom reminding staff to sanitise all contact areas after use. ▪ Cleaning and sanitising chemicals available for use. ▪ Staff reminded regularly to ensure social distancing particularly in the staff room, toilets and breaktimes. ▪ Staff reminded regularly through signage and emails, to ensure they maintain strict handwashing regimes. 	H	<ul style="list-style-type: none"> ▪ Staff issued with guidance about travelling on public transport and the requirement for face coverings and masks. ▪ Consideration given to a staggered entry into the school in the mornings. ▪ Staff advised to remove clothing on their return home and shower. ▪ Staff to wash or sanitise hands after touching resources that have been used by pupils in their “bubble” ▪ Staff to ensure they do not mix with staff from other “bubbles” unless agreed by the Head Teacher ▪ Staff provided with PPE if they are unable to socially distance. ▪ Staff to have their own stationery (pens etc) 	Sept 2020	H
<p>6. Contracting Corona Virus How: Staff / Pupils / Visitors / Contractors coming into contact with the virus from touching an infected surface / area / equipment. Inadequate numbers of cleaning staff available.</p>	<ul style="list-style-type: none"> ▪ Classroom / bubble cleaning sheet in place – staff to update when cleaning has taken place. ▪ Cleaning checklist in place for all common areas in the school ▪ Premises and school staff to ensure adequate supplies of tissues and paper towels are available during the school day for toilets / classrooms/ areas ▪ Full clean undertaken by School Cleaners every morning 	H	<ul style="list-style-type: none"> ▪ Premises Manager to ensure there are adequate staff available to increase the cleaning regimes (September 20 – increased numbers) ▪ New toilet cleaning regime implemented as “bubble” groups allowed to share toilets. ▪ The main reception desk and Sign in Equipment is cleaned and sanitised regularly by staff. ▪ Office assessment in place which covers deliveries. ▪ Additional sanitisers installed in every classroom ▪ Cleaning / sanitising regime in place for lunchtimes – tables, stools, contact points, chairs, cutlery trays etc. 	Sept 2020	H

<p>Inadequate cleaning supplies available for classrooms and areas around the school.</p>	<ul style="list-style-type: none"> Hand washing and sanitising stations available around the school and at Reception. 		<ul style="list-style-type: none"> Guidance issued to all Contractors which details the cleaning and sanitising regimes within the school. Visitors guidance issued prior to any person coming on site. 		
<p>7. Lunchtimes How: Risk of exposure to the virus from pupils coming into contact with pupils / staff from other “bubbles” and touching equipment that may have been contaminated.</p>	<ul style="list-style-type: none"> Staggered lunchtime rota in place for dining hall and lunchtime play Lunchtime staff allocated to a year group bubble Supervising lunchtime staff to ensure pupils do not share drinking / eating utensils or food. Parents/ Carers instructed to provide individual drinking bottles for their child. School staff to wear PPE if required. 	H	<ul style="list-style-type: none"> One-way system introduced to allow pupils to enter and leave the dining hall without coming into contact with persons from another “bubble”. Packed lunch and school dinner pupils sit together in their class “bubble” – no separate tables Staff to organise the dining hall tables and chairs/stools to ensure children from different “bubbles” are kept apart. Staff to clean and sanitise the tables, stools, chairs and contact points after each “bubble”. Open bins available in the dining hall for pupils to dispose of any food/equipment easily SEND – any pupils with a special need and require assistance at mealtimes – this must be documented in their individual risk assessment 	Sept 2020	H
<p>8. Waste How: No waste procedure in place. Staff not aware of procedure to dispose of contaminated waste after a confirmed case of the virus. No identified storage area for contaminated waste. No PPE available</p>	<ul style="list-style-type: none"> School Waste Procedure in place. Collection of waste from classrooms / areas timetable in place. PPE available for all staff 	H	<ul style="list-style-type: none"> All Premises staff aware of the procedure to deal with the waste generated after cleaning an area where a person / pupil has used – that has tested positive for the virus. KS2 basement has been identified as the area (which should be not accessible) to store potentially contaminated waste until a confirmation of the test. Lidded bins available in all classrooms 	Sept 2020	M
<p>9. Equipment How:</p>	<ul style="list-style-type: none"> Bins – replaced with lidded bins Water fountains disconnected 	H	<ul style="list-style-type: none"> Additional bins ordered for September opening. 	Sept 2020	M

Existing school equipment causing an increase to the risk of exposure and transmission of the virus.			<ul style="list-style-type: none"> Non-essential equipment / furniture removed from the classrooms / corridors to free up space – to maximise social distancing. New sanitising stations installed in all classrooms 		
10. School Trips How: Staff and pupils exposed to the virus whilst off the school site. School unable to control the risks of the virus.	<ul style="list-style-type: none"> No school trips are currently planned 	L	Local outdoor trips may be considered to a local park or green space once a risk assessment has been undertaken	Sept 2020	L
11. Communication How: Parents / carers not aware of any new advice from the Government or School regarding the virus. Parents / carers not aware of any reported cases in the school. School staff not aware of new government / school guidance documents and arrangements. Trade union reps not updated or consulted about any new	<ul style="list-style-type: none"> School to inform parents / carers about the measures that they are taking and how they can help. Staff issued with advice and the schools' arrangements for Opening September 2020 <p style="color: red;">Covid-19 tab on the website with all guidance, updates, Covid letters and remote learning information posted there</p>	M	<ul style="list-style-type: none"> School Leadership Team fully aware of the NHS "Test, Track & Trace" process. System in place to obtain contact details for all those entering our site. Letter / email sent to all Parents / Carers detailing all the new arrangements for school opening September 2020 – sent by 1st September 2020 School will update parents / carers regularly on any new advice / guidance from Lewisham / PHE / Government. School procedure in place to update parents / carers of any persons (within the school setting) that has had a positive test for the virus confirmed. Template letter developed to send to Parents / Carers when a positive test result has been confirmed for a person within the school. All school staff inducted about the new arrangements / risk assessments / procedures on 2nd September INSET day. School staff will be notified immediately by the Head Teacher on any changes in Government advice about Corona Virus and any new measures. 	Sept 2020	M

<p>arrangements for staff in the school</p> <p>Visitors to the school not aware of the School's new arrangements</p>			<ul style="list-style-type: none"> ▪ School will invite Trade Union and Staff Reps to be involved in all aspects of the school reopening arrangements including risk assessments and site inspections. ▪ Trade Union and Staff reps sent all risk assessments are procedures prior to the Inset Day. Opportunity to meet with SLT to discuss any health and safety concerns. ▪ All planned visitors to the school will be sent a guidance document prior to the visit to inform them of all the Schools arrangements and expectations. See Visitors Guidance 		
<p>12. First Aid / Intimate Care How: No first aid provision. Unable to maintain social distancing whilst undertaking first aid and elements of intimate care. No correct PPE available. Risk of transmission of the virus from passing paperwork about accidents / incidents. Parents / carers unaware of any accidents / incidents</p>	<ul style="list-style-type: none"> ▪ Bubble checklist in each class giving information of the First Aiders / kit. ▪ Bubble checklist in each class giving information of any pupils with Intimate Care Plans. ▪ First Aid Procedure in place. ▪ Intimate Care Procedure in place. ▪ PPE Policy in place. ▪ Adequate amounts of PPE available for school staff. ▪ System in place to replenish stocks of PPE – email Premise Manager for re-fills ▪ Cleaning regime in place – after first aid procedures / intimate care. ▪ Waste procedure in place for the disposal of all clinical / contaminated waste. 	<p>H</p>	<p>Staff to immediately inform the school office with details of accident/incident that require a phone call home, for example, any kind of head injury and any kind of an injury that leaves a mark on the child – These need a phone call home</p> <p>Parents will receive a phone call home for any head injuries or mark leaving injury and a text message will be sent with the time of the accident/incident</p> <p>Staff need to inform the school office if a child has had an accident/incident that does not require a phone call home. For example, an injury that is not showing any marks. In these cases, we will inform the parents via a text message.</p> <p>See Updated First Aid RA See Updated Infectious Diseases RA See Updated Intimate Care RA</p>	<p>Sept 2020</p>	<p>H</p>

<p>13. Medications / Medical Conditions How: No medications on site, out of date medications, medication not available, no authorisation to administer medication, unauthorised access to medications, staff not trained to administer medications. No information available for pupils with medical conditions</p>	<ul style="list-style-type: none"> ▪ Details of all pupils with medications is available on “bubble” checklist including where they are stored. ▪ Office staff are responsible for ensuring medications are available for pupils and they are in date ▪ Parent / carers to complete an authorisation form to administer medications. ▪ A procedure is in place to advise Parents / Carers for replacement medications with sufficient lead time. ▪ EHCP plans in place for pupils with medical conditions. - information available on Provision Map and all relevant staff made aware of them. ▪ All medications stored out of the reach of pupils. ▪ Emergency medications stored in the school office 	<p>H</p>	<ul style="list-style-type: none"> ▪ The school may complete an individual risk assessment for a pupil that requires medications / medical procedures, or that may increase the risk of staff contracting the virus. ▪ Relevant staff trained in administering of medications. <p>See <u>Updated Medications RA</u></p>	<p>Sept 2020</p>	<p>M</p>
<p>14. Fire How: Staff /Visitors and pupils unaware of the fire evacuation procedure. Persons from “bubbles” coming into contact with each other during an evacuation. Insufficient fire marshalls on site. No arrangements in place to detail the procedure to follow for any person that needs</p>	<ul style="list-style-type: none"> ▪ A PEEP (Personal Emergency Evacuation Plan) is in place for any person within the “Bubble” that may need assistance to evacuate during evacuation. ▪ Details of any PEEP’s will be featured on the “bubble” checklist. ▪ Office staff to brief any visitors about the procedure to follow if the fire alarm is activated and if they may require any assistance to evacuate safely. 	<p>H</p>	<p>Any new fire evacuation procedures will be communicated to staff on 2nd September on INSET day</p> <ul style="list-style-type: none"> ▪ All staff to be briefed on new fire evacuation routes, and fire assembly points. – trained Fire Marshalls to resume their responsibilities as per pre-Covid. ▪ Office staff to take visitors book with them to the assembly point in a fire evacuation. ▪ Premises staff to walk the evacuation routes prior to September opening to ensure the directional fire signage is displayed accurately and fire equipment is all in place. ▪ Fire drill planned for a point in the first two full weeks ▪ Fire drill planned for a point in the first full week back (wb 8th March 21) 	<p>Sept 2020</p>	<p>M</p>

assistance to evacuate safely.			See Updated <u>Fire Evacuation RA</u>		
<p>15. Face Coverings / Masks How: No procedure in place for the safe removal, disposal and storage of face coverings and masks.</p>	None	H	<ul style="list-style-type: none"> ▪ Any homemade non-disposable face coverings that staff or children, young people or other learners are wearing when they arrive at their setting must be removed by the wearer and placed into a plastic bag the wearer has brought with them in order to take it home. The plastic bag will then be stored in the children’s tray (Y1,3,4,5 and 6) or their chair bag (Y2). ▪ Disposable face coverings must be placed in a lidded bin. The wearer must then wash their hands ▪ <u>For school staff</u>, if you wear a mask / face covering to school, you should wash your hands, remove the mask / covering when you arrive, and place it in a plastic bag. This should be stored in a secure place. If you wear a disposable mask, a bin will be available in each classroom for you to dispose of it. You should then wash your hands again. 	Sept 2020	M
<p>16. SEN How: Staff and other pupils at increased risk of exposure to the virus due to pupils with special educational needs unable to social distance. SEN pupil unable to maintain good respiratory hygiene</p>	<ul style="list-style-type: none"> ▪ PPE is available for all staff that work with children that are unable to maintain social distance or increased risk of exposure to the virus. ▪ A risk assessment will be undertaken for specific pupils when necessary. 	H	<ul style="list-style-type: none"> ▪ A risk assessment may be undertaken of staff working with SEN pupils, when there is an increased risk of contracting the virus. ▪ Staff advised to only work in very close proximity if absolutely necessary and wear the appropriate PPE. ▪ Increased cleaning and sanitising regime may be implemented if surfaces / resources become contaminated. 	Sept 2020	H

(spitting / biting / produce excess saliva)					
<p>17. Behaviour How: Increased incidence of poor behaviour due to new rules, lack of routines and lack of attendance.</p>	<ul style="list-style-type: none"> See updated Behaviour Policy 	M	<ul style="list-style-type: none"> Risk assessments may be undertaken for specific pupils. All staff reminded to report any incidents of violence and aggression – and if required an accident / incident form completed. 	Sept 2020	M
<p>18. Furniture/ Resources How: Resources / furniture and equipment not age / size / appropriate causing lack of understanding / injury / harm. Equipment not sanitised or shared by different “bubbles” at risk of transmitting the virus</p>	<ul style="list-style-type: none"> Staff to ensure strict supervision when introducing any new equipment or resources. All equipment / resources will be age / maturity appropriate and included in an activity risk assessment. Most soft furnishings / toys removed from class. 	H	<ul style="list-style-type: none"> All equipment / resources can now be shared by children and adults in the “Bubble” and cleaned as part of the routine cleaning regime. All equipment / resources shared with other “bubbles” such as science / art / sports will be cleaned and sanitised after use or rotated and left unused (and out of reach) for a period of 72 hours. 	Sept 2020	M
<p>19. Outside Play Equipment How: External play equipment not age / size / appropriate causing lack of understanding / injury / harm. Equipment damaged / not safe to use. Equipment not sanitised or shared by different</p>	<ul style="list-style-type: none"> All external play equipment will be risk assessed to ensure it is age / maturity appropriate. All play on external equipment will be supervised by school staff. All external play equipment is visually inspected by Premises staff monthly. An annual inspection and service is undertaken by a competent contractor. 	H	<ul style="list-style-type: none"> Outside play equipment sanitised as part of the general cleaning regime (as long as only used by pupils within the “bubble”) Outside resources washed in water tray with sterilising solution and left to dry overnight. 	Sept 2020	M

<p>“bubbles” at risk of transmitting the virus.</p>					
<p>20. PE How: Exposure to the virus due to equipment not sanitised after another “bubble”. Exposure to the virus from playing contact sports. Increased risk of exposure to the virus during indoor activities.</p>	None	H	<ul style="list-style-type: none"> ▪ Sports and activities undertaken outside when possible. ▪ No contact sport timetabled. ▪ Equipment cleaned and sanitised between “bubbles”. ▪ A selection of PE equipment assigned to each “bubble” ▪ Pupils to wash hands before and after PE lesson. ▪ Teacher to demonstrate activity and then remotely supervise the pupils. ▪ Equipment spaced out to enhance distancing around the pupils and staff. ▪ Children to wear their PE kits to school and remain in them for the rest of the day. 	Sept 2020	M
<p>21. Transport - School How: Exposure to the virus due to lack of social distancing between transport staff and pupils. Inadequate space between seats. Inadequate cleaning and sanitising. Pupils from different “bubbles” mixing.</p>	None	H	<ul style="list-style-type: none"> ▪ Pupils to sit near other members of their “bubbles” where possible. ▪ Space to be left between seats to ensure social distancing. ▪ Hand sanitiser applied to pupils on boarding and disembarking from the transport. 	Sept 2020	H
<p>22. School Estate How: School not safe to reopen. Building checks not undertaken, Water stagnation due to low</p>	<ul style="list-style-type: none"> ▪ All visual fire / water / gas / electric / lift checks undertaken by premises staff. 	M	<ul style="list-style-type: none"> ▪ Statutory maintenance check undertaken by Premises staff August 2020 – prior to opening and mandatory service and maintenance visits from contractors undertaken – when due (see statutory maintenance checklist) 	Sept 2020	L

occupancy – risk of legionella. No site inspection undertaken to identify hazards.			<ul style="list-style-type: none"> Full site inspection undertaken by Premises / SLT / Governor / Trade Union Rep – September 1st All water outlets flushed regularly, and records maintained. Legionella RA to be conducted in October 2020, samples from July were all negative 		
23. Ventilation How: Poor ventilation / circulation increasing the risk of spreading the virus	None	H	<ul style="list-style-type: none"> All doors and windows kept open (unless dedicated fire doors) Desk and ceiling fans can now be used as long as the area is well ventilated. Air conditioning may now be used (still keeping the room ventilated) but, if you use a centralised ventilation system that removes and circulates air to different rooms the recirculation must be turned off and a fresh air supply used. 	Sept 2020	M
24. Staff Meetings How: Staff at risk at transmitting or exposure to the virus due to lack of social distancing, sharing resources, touching a contaminated surface.	None	H	<ul style="list-style-type: none"> Meetings will take place via Zoom with staff in year group bubbles to ensure social distancing. Meetings to be kept to a minimum time to limit time school staff spend together. Smaller groups will be considered where appropriate. Meetings with Parents / Carers only permitted if they are of an urgent matter. (indoor) <ul style="list-style-type: none"> Room to be arranged to ensure social distancing. Visitor guidance sent to Parent / Carer prior to meeting. 	Sept 2020	M
25. Personal Protective Equipment (PPE) How:	<ul style="list-style-type: none"> PPE available in classrooms (for first aid and intimate care). PPE available for Cleaners in cleaning cupboards 	H	<ul style="list-style-type: none"> All school staff issued with guidance on the wearing and removal of PPE. All PPE purchased in accordance with PHE 	Sept 2020	H/M

<p>Risk of contracting the virus due to incorrect use of PPE, incorrect removal of PPE, inadequate amounts of PPE available, not correct standard of PPE</p>	<ul style="list-style-type: none"> ▪ PPE sourced and stocked by Premise Manager ▪ Procedure in place for a pupil displaying symptoms of the virus and the staff aware of the location of the Emergency PPE to wear. ▪ Staff at the main gate to wear PPE if they feel anxious and at risk from parents / carers not socially distancing. 		<p>https://www.gov.uk/government/publications/coronavirus-covid-19-implementing-protective-measures-in-education-and-childcare-settings/coronavirus-covid-19-implementing-protective-measures-in-education-and-childcare-settings</p>		
<p>26. Working from Home How: Incorrectly set up workstation, fire, manual handling, trip, environmental, lone working, stress hazards to the individual.</p>	<p>See Work at Home RA Staff issued with guidance to set up workstation correctly See Lone Working RA</p>	<p>H</p>	<ul style="list-style-type: none"> ▪ All risk assessments reviewed for staff working from home (September 2020) reviewed again 5th November and on 7th December. Reviewed prior to 8th March 21 re-opening 	<p>Sept 2020</p>	<p>L</p>
<p>27. Lettings How: Persons attending lettings introduce the virus to the school. Area of letting not sanitised after use. Risk of transmitting the virus due to lack of social distancing. No clear guidance given to users of the school.</p>	<p>No Lettings</p>		<ul style="list-style-type: none"> ▪ Lettings will be risk assessed on an individual basis and clear guidance and information to the hirer will be communicated. 		
<p>28. Wrap Around Care How: Pupils and staff contracting the virus due to pupils from</p>		<p>H</p>	<ul style="list-style-type: none"> ▪ See <u>Wrap Around Care</u> RA: ▪ Children will be kept in year group bubbles ▪ Allocated staff member to each bubble 	<p>Sept 2020</p>	<p>H</p>

different "Bubbles" mixing. Lack of social distancing, poor cleaning / sanitising, sharing of food and utensils / equipment, parents congregating when dropping off and picking up,
