10<sup>th</sup> February 2021

Dear Parents and Carers

## Re: Schools Reopening to All Pupils

Firstly, I would like to thank you all for the amazing job you are doing at home to support your children. I know how difficult the past few weeks have been and how challenging it is for families, with most children not in school. Well done everyone!

The government objective is for schools to reopen to all pupils from the 8<sup>th</sup> March, and I very much hope that this happens. Infection rates are still high, but reducing rapidly, which is a positive sign. The DfE have promised to give a minimum of two weeks notice concerning schools reopening to all pupils. This means that we should have an update on this matter by Monday 22<sup>nd</sup> February.

Until there is an update from the government, we will continue to follow the current guidance and therefore cannot offer school places to children who are not currently in school. I will review this once we have received new guidance from the DfE.

I will update you on plans for the school reopening to all pupils on Monday 22<sup>nd</sup> February, once we have more information from the government.

Next week is our half term break and I do hope that you all have a well-deserved rest from remote learning. Take this time to enjoy the outdoors and have fun with your family.

Thank you for your incredible support throughout the lockdown.

Kind regards,

Paul Hooper  
Head Teacher
