

Year 5 Summer 1

1 NO
POVERTY

'End poverty in all its forms everywhere.'

Children will work towards Sustainable Development Goal 1 throughout this year.

Let's Learn Together
Get outside to improve your health and wellbeing! Try creating your own Sports Day. What events will you include?

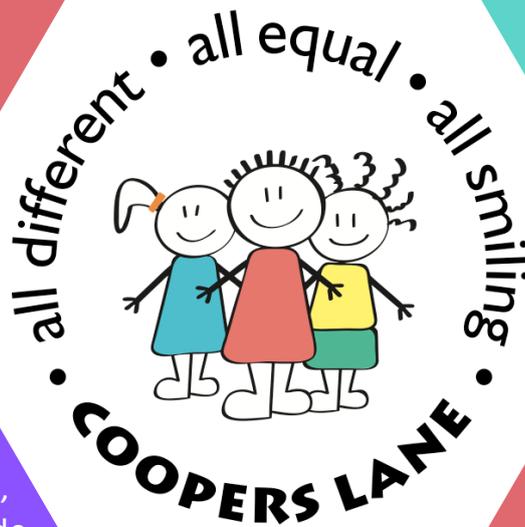

RE

Children will learn about the importance of Ramadan and Id ul Fitr in Islam. They will consider why Muslims fast during Ramadan and how it brings them closer to Allah. They'll learn about the importance of the family meal during the night time hours, as well as how families celebrate Id.

History

Children will be looking at how Islam spread through northern Africa and Europe, and the development of Islamic civilisations. They'll discover the Islamic contributions to science, maths and art before looking at some of the holy wars fought between Muslims and Christians.

- They Holy Land, Jerusalem
- Richard the Lionheart

Music

Children will explore the human life cycle with music from Brahms, Berio, Liszt and Montiverdi. The wide variety of musical moods, styles and genres will inspire them to sing, perform and compose using new techniques and structures.

- Life cycles

PSHE

Children will explore how common, everyday drugs can affect health. They'll look at the affects of smoking, alcohol, caffeine and medicines. They'll discuss the difference between legal and illegal drugs and how for some people, drug use can become a habit which is hard to break.

Science

Children will look at the changes to the human body from birth to old age. They will describe the changes the body goes through during puberty and compare the gestation periods of different animals in comparison to humans. They will research and record the length and weight of different babies as they grow.

Computing

Children will become bloggers, understanding that it is a form of writing. They will create a series of blogs on a given topic.

- Understand computer networks
- Use and combine a variety of software
- Use technology safely and responsibly

PE

Children will continue to think about their fitness when completing circuits with a range of activities. With our PE coach, they will continue to build skills in hockey, choosing and applying a range of strategies for defence and attack.

- Mighty Movers
- Tennis

Art

Children will explore the work of impressionist artists such as Claude Monet. They'll identify and draw simple objects, using marks and lines to produce texture. They will also experiment with different styles the artists have used, creating their own versions showing a range of moods.
