

Forest School News

Year 1 Summer Term Information

This term at Forest School

We are very excited to get back out into our Forest School! Over the Summer Term our Forest School has continued to flourish. The plants we planted last term have started to grow.

As started before Easter each class will be on a 3-week rotation of Forest School lessons. Every Forest School session will be held on a Monday. Please see below for your child's class Forest School day for this term.

What does your child need for Forest School?

This term, we are asking children to come to school in old clothes, that will be able to get a bit muddy, on their designated Forest School day. We will be going out to Forest School in all types of weather. To have fun, children have to be comfortable, children should be prepared for varying weather conditions. On your child's Forest School day they will need:

- **A coat or waterproof.**
- **Long trousers, tracksuit bottoms and/or waterproof trousers.** Even if the weather is hot, please ensure your child comes to school in lightweight **long trousers**. At forest school there is sharp branches, which will scratch bare legs.
- **Wellies/boots or strong outdoor shoes** (Please ensure your child comes to school in their normal school shoes and brings wellies in to get changed into).
- If the weather is hot, please ensure you child applies **sun cream before school and brings a sun hat in to school.**

Please ensure these are old clothes that you don't mind getting ruined as the children might get rips/ dirt/ paint on them.
