A Coopers Lane Learner...

Lockdown Policy and Procedures

Rationale

The purpose of these procedures is to provide instructions for staff in the event of an incident that requires whole school lockdown. These instructions should be read in conjunction with the school fire evacuation instructions, the school safeguarding policy and the school business continuity plan.

Lockdown procedures may be activated in response to any number of situations, but some of the more typical might be:

- A reported incident/ civil disturbance in the local community (with the potential to pose a risk to staff and pupils in the school)
- An intruder on the school site (with the potential to pose a risk to staff and pupils)
- A warning being received regarding a risk locally of air pollution (smoke plume, gas cloud etc.)
- A major fire in the vicinity of the school
- A major incident on the railway adjacent to the school
- The close proximity of a dangerous dog/animal roaming loose

This policy applies to employees, volunteers, parents/carers/pupils, and people visiting the school site. It covers the procedures staff should take if and when the school is required to go to lockdown.

Aims

- To provide a safe and secure environment for our pupils, staff and visitors.
- To establish protocols and procedures that effectively monitors and manages a potentially dangerous situation.

Implementation

All staff and visitors:

It is of vital importance that Coopers Lane School's lockdown procedures are familiar to members of the teaching staff, non-teaching staff and visitors. To achieve this, a lockdown drill will be undertaken at least once a year. Pupils should also be aware of the plan. Regular practices will increase their familiarity of what action they need to take and when.

For parents:

Parents will be aware of the school's lockdown policy, and a copy will be available upon request.

If lockdown occurs, parents will be notified as soon as it is practical to do so. However, parents will be requested not to come to the school, as **pupils will not be released to parents during lockdown**. Parents will also be asked not to call the school, as this may tie up emergency lines that must remain open.

Emergency Services will support the decision of the Head Teacher regarding the timing of communication to parents. **Please be assured in the event of a lockdown that the schools overriding consideration is the safety and well-being of your child and school personnel.**

Lockdown Procedures

All adults have a duty to protect children to the best of their ability and to respond to a situation in the best way they can. In doing so they are also trying to keep themselves as safe as possible.

Every effort has been made to make the school safe.

In order to initiate the lockdown procedure, seven designated staff have been identified and trained as the Crises Management Team, These are:

| | |
|----------------|-------------------------|
| Paul Hooper | Head Teacher |
| Tali Bonner | Deputy Head |
| James Mole | Deputy Head |
| Sam Pepper | Assistant Head |
| Amy Riley | Assistant Head |
| Ayse Mehmet | School Business Manager |
| Kevin Teasdale | Premises Manager |

All situations are different. Once all staff and pupils are safely inside, senior staff will conduct an on-going and dynamic risk assessment based on advice from the Emergency Services.

Staff and pupils remain in lock down until it has been lifted by Verbal communication by Senior Leadership or the office. At any point during the lockdown, if the fire alarm may sound Please DO NOT evacuate the building.

During the lockdown, staff will keep agreed lines of communication open but not make unnecessary calls or emails to the central office as this could delay more important communication.
