Twitter: @CoopersLaneSch

Sing, Sing, Sing!

I love this time of year because the school is filled with music and singing, as the children start to rehearse for their Christmas performances. It's a joy to walk around the school and hear such a happy sound! Over the coming weeks we have lots of shows in school for you to come and watch, so please help us prepare by encouraging your child to practice their songs at home too. It's going to be a magical time!

I'd like to say a huge thank you to the PTA for organising an amazing Bingo night last week. Thank you also to everyone who came and joined in the fun, helping to raise over £300 towards our new school library. We will be sharing exciting plans for the new library in next week's newsletter!

Have a lovely weekend.

GET YOUR TICKETS

We are very excited to be putting on lots of wonderful shows for you this year over the festive period. While we are delighted to have our Christmas shows back on, this year we are limiting audience numbers for each performance and are therefore restricting tickets to 2 per family.

We will be sending out (via email and text) a Google Form so you can book tickets. Tickets will be allocated on a first-come-first-served basis, so please understand that you may be allocated tickets on an alternative to your first preference.

Year Groups	Booking link sent	Closing date	Number of performances
Nursery	22/11/21 @ 9am	26/11/21 @ Midday	1
Reception + Year 1	19/11/21 @ 4pm	23/11/21 @ Midday	3
Year 2 + Year 3	22/11/21 @ 4pm	26/11/21 @ Midday	3
Year 4 + Year 5	24/11/21 @ 4pm	26/11/21 @ Midday	3
Year 6	22/11/21 @ 9am	26/11/21 @ Midday	1

Please see the letter sent to you via email for more information about the performances and the ticket booking arrangements.

It is your decision whether you feel comfortable attending a busy performance where there will be up to 120 audience members. We will also be providing all parents and carers with a link to a video recording so that you can watch the performances in the comfort of your own home.

MOONSHOT

MOONSHOT is well underway and it's wonderful to see so many of you taking part in this event. It's not too late to join in the fun, so check out the PTA webpage for more information:

<https://www.cooperslanepta.co.uk/moonshot>

All children who participate will receive a goody bag regardless of how many minutes they contribute, so get class mates involved and take the lead towards the Key Stage Class prize. Every minute counts. And don't forget to ask friends and family to sponsor you.

Current Leaders
EYFS/Key Stage 1: Westminster
Key Stage 2: Charing Cross.

NURSERY

We have had great fun in Nursery this week. It was a lovely sunny day, so we took the opportunity to clean our cars and scooters and anything else we could find.

Teddi-Mae and Micah have really enjoyed dressing up in the costumes that one of our kind parents from school donated to us.

YEAR 1

Y1 have had a very exciting week. We have been reading the story of Beegu and decided to write letters to Beegu. We wanted to tell her all about Planet Earth and even recommended some famous landmarks she could visit. We got to put our letters in envelopes (we made sure we had a space stamp) and walked to the local letterbox to post them off to space!

YEAR 2

This week Year 2 have worked really hard in all of their subjects. In art, we have created a colour palette by adding white to a colour. In PHSE, we have been thinking about the importance of kindness as it is anti-bullying week. We created, in groups, an acrostic poem all about being a kind friend.

RECEPTION

This week, we have had a great time in Reception learning about the Nativity story and practising for our upcoming show! We have also been persevering with our name writing, ensuring that we're using the correct letter formation, with a capital letter at the start and lowercase letters for the rest of our name. Doesn't our writing look amazing?

YEAR 3

In PE this week we have been challenging ourselves by addressing various disabilities in sport. We wore blind folds whilst trying to use stilts in order to imagine we were without sight. Our partners gave up instructions to help us move safely. In maths we were looking at 'near numbers'. We sorted given numbers into near multiples of 10 and 100.- It was tricky!

YEAR 5

This week has been amazing in Year Five! As part of our learning in English, we have been investigating the death of Bess and the Highwayman. We looked at ballistic reports and used these to create evidence boards.

In maths, we have been continuing learning about factors.

We used arrays to find factor pairs and began thinking about common factors. Next week it is on to prime numbers!

YEAR 4

In Science this week, Year 4 have been investigating the melting points of different materials. We had to heat ice, butter and chocolate and then use a thermometer to measure the temperature at the point that they started to melt. Next week we will continue our 'States of Matter' topic by investigating evaporation!

YEAR 6

In year 6 the children have been finding out about the power of propaganda during WW2. After making their own vegetable super heroes using vegetables, playdoh, cocktail sticks and 'googly' eyes, the pupils used pictures of their characters to create their own propaganda posters encouraging people to 'Grow their own vegetables' for the war effort. Here are a few fabulous examples of their work.
