

SDP Priority Areas 2020-2023

Global Citizenship

- Pupil voice is a strength
- Children can talk confidently about their rights and the responsibilities that go alongside the rights. They are confident to challenge.
- Children are confident individuals who understand the impact they can have on achieving the global development goals. They believe they can make a difference.

Remote Learning

- Google Classroom embedded both in class and at home
- Full curriculum delivered remotely
- Communication between home and school is strong
- CLS is supporting other schools

Continuous Provision

- Children in Reception and Year 1 perform above national average in all areas
- A full, rich and challenging curriculum is delivered successfully in a continuous provision environment

Curriculum

- The Coopers Lane learner is evident throughout the curriculum – pupil voice
- Children can recall the skills and knowledge taught in all subjects with confidence and passion
- Curriculum Leaders have an in-depth knowledge of their subject which they use to support others
- High quality CPD is provided for all subjects
- There is effective monitoring of the impact of our curriculum

Progress and Attainment

- Children perform above national average in all subjects at all levels
- Children and adults have a growth mindset towards learning
