NURSERY

Maisie-Belle has been investigating the coloured water by making potions with the pipettes and test tubes.

The children had great fun this week playing with the rain water and leaves in the sand pit (Pretending they were fishing).

Wow! Jace and Scarlett-Rose what great mark making. It was lovely to see you sharing and having a great time working together.

RECEPTION

This week in Reception we have been reading the story of "Stickman."

We used our phonic knowledge to write some sentences about Stickman and at Forest School we made Stick people.

YEAR 1

Firstly, we would like to congratulate all Year 1 and Reception children for their wonderful performance in the school play last week.

Superstars!

We've been reading the story of Hansel and Gretel and we love the work Albert and Sammy have done creating their own Gingerbread House. The trail they have included has given their design beautiful detail.

Meanwhile, Peter demonstrates his knowledge of Africa by building and explaining the work he's done on his pyramid. Ancient Egyptian royalty would have been proud of Peter's construction

YEAR 2

Year 2 have worked hard to complete their under the sea artwork using felt, tissue and a painted background. It will help remind us of our focus Sustainable Development Goal 6: A Right to Clean Water and Sanitation. In PHSE, we have created stockings to hold kindness messages. We've been so thoughtful and written kind words and compliments to each other.

YEAR 3

Mrs. Webb has been teaching the children in Year 3 to use their observational skills to paint cave art. They have been using various media including paint, charcoal and pastels to portray their own versions of Cave Art! They look amazing!

YEAR 4

We have loved our Art lessons with Ms Webb this half term! We have explored different pointillist methods, learned how to mix secondary colours and even how to create shade using pointillism. As part of our final piece, we created our own imaginative paintings in a pointillist style, in the style of Georges Seurat. We think you'll agree that they are pretty spectacular!

YEAR 5

This week in year 5 we performed our Christmas production of Panto Pandemonium and we are sooooo proud of ourselves. We sang, danced, and had a fabulous time entertaining everyone. Thank you for all your help and support and we hope you enjoyed the show. Also, in maths this week we had great fun learning all about measuring perimeter and history we created posters about daily life in Ancient Egypt and found out about the ancient civilisation of Mesopotamia. Friday was also fun-filled because we all got to dress up for Christmas Jumper Day.

YEAR 6

This year, the children in year 6 have decided that their Christmas gift from their teachers would be giving something back to others. Therefore, we spent some time looking at some charity gifts (see picture 1). We spent some time discussing the different ideas and voted for what we wanted by giving reasons for our choices (pictures 2 and 3). We will find out next week which gifts have been chosen by each class when we receive them from our teachers.

I Vote for:
 1. Christmas gift box of supplies because many people ask for these things. We think they are such standard things although some people struggle to have them.
 2. Super goat because goats and animals can really help over the long term with the simple supplies like milk and eggs. But only if the goats were treated well. This I am very fond of them. This helps people who aspire to be farmers and similar things.

I Vote for:
 1. Pile of poo gift card because people can then grow and sell their own vegetable.
 2. Poverty busting pig because we can encourage people to raise more animals and grow more crops to earn more income for climate change.

FOOTBALL UPDATE

On Saturday the boys and girls football team had their last matches of 2021. The scores were
 Coopers Lane Boys vs Good Shepherd 1-0
 Coopers Lane Boys vs Donderry 2-0
 Coopers Lane Girls vs Gordonbrock 1-1
 Coopers Lane Girls vs Holbeach 3-0

We are so proud of the resilience and determination all the children in the team are showing and wish them all the best for the rest of the season.
