Merry Christmas

Thank you for your support and kindness throughout this term. I am incredibly proud of the children and the whole community for the many great achievements made over this time. For me, one highlight has been being able to welcome you all back into school to share in the magic! There may be challenges ahead, but I know that the Coopers Lane spirit will get us through anything!

Enjoy the Christmas break with your friends and family and I look forward to seeing you all on the 5th January for the start of another exciting term.

CONDOLENCES

Our thoughts are with the Mugema family at this time. On Wednesday 8th December, Margaret Mugema unexpectedly passed away. Margaret was a shining light of the community, who many of you will have known well. A wonderful mother to five children, Margaret will be greatly missed by us all. Her warmth and kindness will be etched on our memories forever.

Thankfully, Dad and the children have a wonderful, loving family who are supporting them at this most difficult time. I know that you will all join me in sending love to the family and that you will be respectful of their privacy during this time.

CAN YOU HELP?

Do you have any pre-loved good quality battery operated light-up/musical toys that need a new home? If so, the children who visit Bond Street (our inclusion space) will be very excited! Please bring any donations to the school office so they can be welcomed into their new home

CONGRATULATIONS

Well done to all of the children for the amazing performances over the past three weeks.

It has been absolutely wonderful to see all of the children up on stage, enjoying themselves. How lovely it was to have a live audience for every performance (11 shows in total!) so that the whole community could share in the experience.

All of the performances have been filmed and a link & password have been emailed to you. Please make sure that you keep the passwords confidential, as the video links are for your use only.

A huge thank you to all of the staff at Coopers Lane for the amazing work put in to ensure every show was a success. We have a wonderful team at Coopers Lane who are committed to giving all of the children the very best experiences.

NURSERY

Another week of fun in the Nursery.

The children loved playing the musical instruments to the beat of the music. Then they got up to dance to the music with their friends. Micah-Remi used the cubes as number blocks and was able to build them up to ten with no support. Well done!.

Suraya made her own paper chain to hang up in the Nursery.

YEAR 6

For the final week of the Autumn term, year 6 have completed many activities including writing newspaper reports about the evacuation of the British troops from Dunkirk, developing our map reading skills, renewable energy posters and fabulous propaganda posters in our Art lessons with Miss Webb.
