

Coopers Lane aims to continue to provide an ambitious and broad curriculum in all subjects.

We have extensive plans for the provision of remote education where needed and to ensure that the small number of children that need to be educated at home, for example, due to shielding or self-isolation, are given the support they need to continue learning.

Remote education, where needed, is of a high quality and aligns as closely as possible with in-school provision.

What we will provide:

	If an individual is self-isolating for 7 to 10 days and the rest of the class is in school	If the bubble is self-isolating but the rest of the school is open	If the whole school is self-isolating	In the event of a longer lockdown	Who will provide this
