## Summer Term Information

### Welcome message

Hello and welcome back!

Thank you for all your support with the children and their learning during Spring Term. For the Summer Term, we are excited about our fantastic new topics that look at the Geography of the UK, Christianity and the Unity of England and Scotland. We have lots of exciting learning opportunities ahead.

*Erica Walker, Laura Paterson and Sian Bentley*

### English and Maths

**In English**, we will be developing our skills through a range of texts, which will include exploring poetry, writing our own narratives about Paddington and some non fiction writing

**In Maths**, we will be focusing on decimals, time, money and shape. We will also consolidate our formal written methods for addition, subtraction, multiplication and division.

For the **Wider Curriculum**, please see the attached overview.
