TRUST

It is important that your grant is used effectively and based on school need. The [Education Inspection Framework](#) makes clear there will be a focus on **‘whether leaders and those responsible for governors all understand their respective roles and perform these in a way that enhances the effectiveness of the school’**.

Under the [Quality of Education](#) Ofsted inspectors consider:

Intent - Curriculum design, coverage and appropriateness

Implementation - Curriculum delivery, Teaching (pedagogy) and Assessment

Impact - Attainment and progress

To assist schools with common transferable language this template has been developed to utilise the same three headings which should make your plans easily transferable between working documents.

Schools must use the funding to make **additional and sustainable** improvements to the quality of Physical Education, School Sport and Physical Activity (PESSPA) they offer. This means that you should use the Primary PE and sport premium to:

- Develop or add to the PESSPA activities that your school already offer
- Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years
- The Primary PE and sport premium should not be used to fund capital spend projects; the school's budget should fund these.

Please visit [gov.uk](https://www.gov.uk) for the revised DfE guidance including the 5 key indicators across which schools should demonstrate an improvement. This document will help you to review your provision and to report your spend. DfE encourages schools to use this template as an effective way of meeting the reporting requirements of the Primary PE and sport premium.

We recommend you start by reflecting on the impact of current provision and reviewing the previous spend.

Schools are required to [publish details](#) of how they spend this funding, including any under-spend from 2019/2020, as well as on the impact it has on pupils' PE and sport participation and attainment. **All funding must be spent by 31st July 2022.**

We recommend regularly updating the table and publishing it on your website throughout the year. This evidences your ongoing self-evaluation of how you are using the funding to secure maximum, sustainable impact. Final copy must be posted on your website by the end of the academic year and no later than the 31st July 2021. To see an example of how to complete the table please click [HERE](#).

Details with regard to funding

Please complete the table below.

Total amount allocated for 2021/22	£21,310
How much (if any) do you intend to carry over from this total fund into 2022/23?	£0
Total amount allocated for 2022/23	£21,260
Total amount of funding for 2022/23. To be spent and reported on by 31st July 2023.	£26,170 (additional cost to come from Pupil Premium funding)

Swimming Data

Please report on your Swimming Data below.

<p>Meeting national curriculum requirements for swimming and water safety.</p> <p>N.B. Complete this section to your best ability. For example you might have practised safe self-rescue techniques on dry land which you can then transfer to the pool when school swimming restarts.</p> <p>Due to exceptional circumstances priority should be given to ensuring that pupils can perform safe self rescue even if they do not fully meet the first two requirements of the NC programme of study</p>	Data to follow at the end of the academic year
<p>What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres?</p> <p>N.B. Even though your pupils may swim in another year please report on their attainment on leaving primary school at the end of the summer term 2020.</p> <p>Please see note above</p>	%
<p>What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]?</p> <p>Please see note above</p>	%
What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?	%
Schools can choose to use the Primary PE and sport premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?	No

Action Plan and Budget Tracking

Capture your intended annual spend against the 5 key indicators. Clarify the success criteria and evidence of impact that you intend to measure to evaluate for pupils today and for the future.

Academic Year: 2022/23		Total fund allocated: £21,260	Date Updated: November 2022	
Key indicator 1: The engagement of <u>all</u> pupils in regular physical activity – Chief Medical Officers guidelines recommend that primary school pupils undertake at least 30 minutes of physical activity a day in school				Percentage of total allocation:
				46%
Intent	Implementation		Impact	
Your school focus should be clear what you want the pupils to know and be able to do and about what they need to learn and to consolidate through practice:	Make sure your actions to achieve are linked to your intentions:	Funding allocated:	Evidence of impact: what do pupils now know and what can they now do? What has changed?	Sustainability and suggested next steps:
Use Physical Activity to promote learning across the curriculum.	Additional equipment purchased to provide a wider range of sports/games during breaktimes – skipping ropes, new gym mats	£1,000		
Purchase or source resources and equipment, as well as storage, to promote physical activity and eliminate lack of resources as a barrier				
Continue to provide structured play and sport opportunities for all pupils in break times	Lunchtime sports coach - Children have increased opportunities to participate in a range of activities	£4850		

Promote healthy active lifestyles amongst all children.	Daily Mile and Go Noodle used across the school Healthy Eating' week during the summer term to raise awareness of the importance of healthy eating. Working towards the Healthy Eating Bronze Award		Pupils will have necessary skills and be motivated to make active choices as they develop and grow. Feedback from children involved.	
Raise mental health/wellbeing awareness.	To increase awareness amongst both children and staff about the importance of mental health and well-being.		Pupils will have necessary skills and be motivated to make active choices as they develop and grow.	
Ensure that the foundation stage and Year 1 pupils develop gross motor skills to prepare them for sporting activities as they develop. EYFS outside area extended to enable more sport and active learning.	Teachers to plan and adjust outdoor learning environment, use of the playground and sports hall, and purchase equipment and storage to support this	£4,000	Pupils will have the necessary gross motor skills to participate in sport and active play.	
Key indicator 2: The profile of PESSPA being raised across the school as a tool for whole school improvement				Percentage of total allocation: 6% - additional cost funded through Pupil Premium allocation.
Intent	Implementation		Impact	
Your school focus should be clear what you want the pupils to know and be able to do and about what they need to learn and to consolidate through practice:	Make sure your actions to achieve are linked to your intentions:	Funding allocated:	Evidence of impact: what do pupils now know and what can they now do? What has changed?	Sustainability and suggested next steps:

Children have increased opportunities to participate in a range of different sports	Subsidised After School Clubs and Holiday Camps, with a particular focus on encouraging disadvantaged children	£5,500	→ 100 chn have taken funded sports club spaces so far this year at a cost of £3600, will be £5400 for the whole year based on 150chn @ £3 per session and 12 sessions per term	
Provide cycling proficiency for pupils to be road confident, particularly as many pupils ride to and from school Provide scooter proficiency for pupils to be confident, particularly as many pupils' scooter to and from school	Big Pedal Bikeability to be delivered in the Summer Term for Year 5 pupils 6 School bikes provided for those that need it for a half termly loan basis Scooter Training to be delivered in the Summer Term for Year 2 pupils Regular feedback on sports results during celebration assemblies, PE notice board and also school website.	£500 general repair and maintenance of bikes and helmets	Pupils to have achieved Level 1, 2 or 3 cycling proficiency by the time they leave school More children cycling to school on a regular basis, particularly children who do not have access to their own bike.	

Key indicator 3: Increased confidence, knowledge and skills of all staff in teaching PE and sport				Percentage of total allocation:
				3%
Intent	Implementation		Impact	
Your school focus should be clear what you want the pupils to know and be able to do and about what they need to learn and to consolidate through practice:	Make sure your actions to achieve are linked to your intentions:	Funding allocated:	Evidence of impact: what do pupils now know and what can they now do? What has changed?	Sustainability and suggested next steps:

Continued membership of the PE Association to support the subject leader in the delivery of effective CPD	Level 6 training course for PE Lead to develop leadership skills and raise standards across the curriculum and contribute to whole school improvement	£115 and training cost TBC		
PE Subject Lead monitoring the delivery and impact of PE teaching across the school	Schemes of progression and skills to be implemented fully and reviewed → support given where needed through team teaching	£600 supply teacher cover costs for PE Lead		To develop the resource over the year
Key indicator 4: Broader experience of a range of sports and activities offered to all pupils				Percentage of total allocation: 32 %
Intent	Implementation		Impact	
Your school focus should be clear what you want the pupils to know and be able to do and about what they need to learn and to consolidate through practice:	Make sure your actions to achieve are linked to your intentions:	Funding allocated:	Evidence of impact: what do pupils now know and what can they now do? What has changed?	Sustainability and suggested next steps:
Provide greater range of after school sports clubs.	Subsidise After School Clubs and Holiday Camps, with a particular focus on encouraging disadvantaged children to join Develop relationship and feeding of children into local clubs and organisations to improve grass roots competitive sport. Work with Grove Park Youth Club and the Rio Ferdinand Foundation.	See Key indicator 2	Pupils will develop an area of sport, and associated skills, that can be taught by an expert. Data collection from children who are attending clubs or organisations outside of school.	Many pupils take up the sport outside of school as a result.

Improve lunchtime structure to offer a variety of sports throughout the playground to get other children actively involved.	External coaches to lead sports not offered by school clubs currently. Children have a variety of activities to take part in during lunch and play times.	See Key Indicator 1		
To work alongside Dance experts and use observations to improve practice and deliver high quality dance teaching	Dance teacher one full day a week to teach children across the school, as well as provide high quality CPD to staff	£6840	Raise the profile of dance for pupils in both Key Stages	Pupils provide inspiration to other pupils in the school and promote dance as an interest Teachers upskilled to teach future dance sessions

Key indicator 5: Increased participation in competitive sport				Percentage of total allocation:
				13 %
Intent	Implementation		Impact	
Your school focus should be clear what you want the pupils to know and be able to do and about what they need to learn and to consolidate through practice:	Make sure your actions to achieve are linked to your intentions:	Funding allocated:	Evidence of impact: what do pupils now know and what can they now do? What has changed?	Sustainability and suggested next steps:
Children have increased opportunities to participate in team sports and to take part in team competitions	Football team coach and competition – extended offer this year for Y3/4 girls and boys football teams, as well as Y5/6 girls and boys' teams. Annual swimming Gala for Y4-6	£2,000 £500 for training and cover costs	Pupils can participate in sports competitions that they might not otherwise be involved in, if they don't attend a club The number of pupils representing the school in competitions will increase.	Pupils will be encouraged to attempt other competitive sports or situations Pupils will be inspired to continue competing in future. Continued reciprocal and competitive opportunities in the future.
Provide a wider range of competitions for larger numbers of children to enter, in a range of sports	Buy membership into My School Games to increase intra-school and inter-school competitions	£265	Pupils can participate in sports competitions that they might not otherwise be involved in, if they don't attend a club. The number of pupils representing the school in competitions will increase.
