Look After The Pennies!

This week, it's just a short newsletter as we have had two strike days, with most classes closed on both. Thank you for your continued support concerning the teacher strikes, because we know how difficult it is to manage child care during these times.

The results of the **Penny Wars competition** are in, and once again the Coopers Lane community have smashed it by raising an incredible £826.47 - which is amazing !!!

Well done to every class for helping to raise this incredible amount of money that will be put to good use by the PTA.

1st place - Wimbledon - £174.29

2nd place - Farringdon - £88.60

3rd place - Charing Cross - £65.17

£826.47

We had the pleasure of watching the **Piccadilly Class Graduation** yesterday and it was absolutely wonderful. The progress the children have made this year is incredible and watching all of the children on stage, performing with such confidence and pride was pure magic! What a lovely way to end the week.

On Wednesday next week, the children will be meeting their new teacher and we will be sending out the class information for September to all families. We will also be sending out end of year reports towards the end of the week.

If the winner no longer wants the prize then please contact the PTA to make sure that the donation is not wasted. If the PTA is not contacted by the end of term then we will need to consider redistributing the prizes.
