

Our Year 6 Classroom News

Spring Term Information

Welcome message

We hope you have all had a lovely holiday and that the children have returned refreshed and raring to go for our new term. Thank you for all your support last term; we were very pleased with the children's attitude to their learning and their progress. We will start this term with our wonderful new topic: 'The Industrial Revolution'.

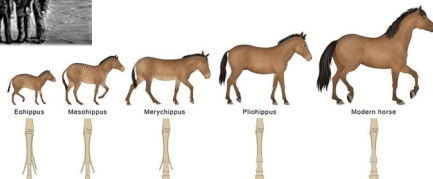

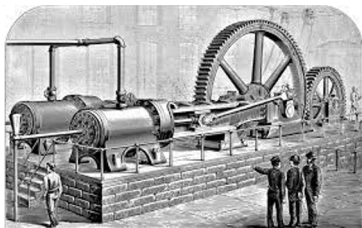

Laurie Carter, Dawn Burton, Jen Stanley and Emma Castle

English and Maths

In English, we will start with writing to persuade. We will write speeches and letters to persuade our audiences before moving on to writing story endings that are full of suspense.

In Maths, we will be focusing on calculating with decimals and percentages before moving on to algebra, ratio and measurement.
