Summer Term Information

Welcome message

Hello Parents and Carers,

Thank you for all your support during the Spring Term and we look forward to the term ahead. We are very excited about our fantastic new topic all about the Regions of the United Kingdom. We will be learning about British culture including traditions, famous British people, festivals and tasting some traditional foods! In Summer 2, we will learn about the Great Fire of London!

Rebecca Davidson, Lesley-Ann Brown, Cecily Stokes and Liz Simmons.

English and Maths

In English, we will be developing our skills through a range of texts. We will innovate new characters, write recounts of events and write a set of instructions.

In Maths, we will begin to learn about fractions and then move on to learn about time, statistics and direction. We will continue to work on building our number skills using all four operations and understanding the terminology in word problems, including 'what's the difference?'.
