Summer Term Information

Welcome message

We hope you all have a lovely holiday and that the children return to school refreshed and raring to go for their final term at Coopers Lane. Thank you for all your support last term! The next term is a very important and exciting term for Year 6 with the SATs, the Year 6 production and so many other exciting things planned. We have asked the children to complete some homework over the holidays to keep their brains working so that they are ready for the summer term- this can be found on Google Classroom. We are looking forward to starting with our brand new topic, North America.
